Welcome to Region 14's Improved Website!

Region 14 has a fresh new look for 2020! Along with a new district logo, please take a moment to enjoy many new and improve functions on our district website. We encourage you to take a moment to visit each of our district schools online for updates on what the amazing students of Region 14 are working on. From our new, constantly evolving curriculum; programs like Vocational Agriculture - the largest program in the state of Connecticut as well as our athletic offerings for students, we work diligently to create a comprehensive student driven, educational environment focused on the "Four C's"- Critical thinking, Creativity, Collaboration & Communication. Our vision is to educate every student, is prepared to advance into the workforce, higher education, technical education, military service or a career in agriculture.

Region 14 - your future begins here!

Sincerely,

Joseph A. Olzacki, Ed. D. Superintendent of Schools
