

Fairfield Warde High School Presents:

When
Tuesday
January 21, 2020

Time
6:30pm-8:00pm

Where
Fairfield Warde High School
755 Melville Ave.
Fairfield

Featuring:
Andrew Komarow

From his personal experience as an individual with ASD, he was inspired to create **Planning Across the Spectrum** to specifically work with individuals, families, and care teams of those with special needs.

Andrew is a known local advocate for Autism awareness and serves on the board of the Autism Resources and Services CT. Andrew is CFP®, Behavioral Financial Advisor (BFA™), and Chartered Special Needs Consultant (ChSNC®) among his other designations.

Understanding ABLE Accounts

For People with Disabilities and Families Who Have Questions About ABLE and are Interested in Opening an Account.

Achieving a Better Life Experience (ABLE) accounts allow people with disabilities to set aside up to \$15,000 a year or more in tax-free savings accounts without affecting their eligibility for government benefits. But many people are unsure about how to apply for ABLE accounts or how they can be used.

Participants will receive an overview on ABLE accounts and on several of the plans that are available in Connecticut. We will then we will walk you through the ABLE account opening process and answer any questions you may have. **Computers will be available, so everyone who wishes to will have the option to leave with an open ABLE account!**

This is a free presentation but space will be limited. If you wish to attend you must RSVP at: thearcct.org/events/understandingable-fairfield-1/14/20

For more information contact Shannon Jacovino at sjacovino@thearcct.org.
