JANUARY 2020

2020

As we say goodbye to 2019 we remember good times with friends and family, our travels, and new experiences we have ventured into and/or encountered. As our Chicago based Athletic teams say, there is always next year and here it is! We wish you all the **Best** in 2020!

Congratulations to former LHS Superintendent Dr. Sandra Doebert for earning the prestigious NAFIS award. In September Dr. Doebert was honored with the Virginia Allred Stacey Founders Award by the National Association of Federally Impacted Schools (NAFIS). This award was presented at the 2019 NAFIS Fall Conference in Washington, D.C. and is the highest award presented by NAFIS.

Doebert was honored for her leadership, dedication and service to the Impact Aid community and the students NAFIS serves. Impact Aid reimburses school districts for the loss of revenue caused by the presence of nontaxable Federal property, including military installations. Impact Aid helps ensure students who attend schools on or near Federal property have access to a quality education.

Doebert has been active on Impact Aid and in NAFIS for many years. She served as President of NAFIS for multiple terms, steering the organization through a seamless leadership transition and multiple victories, including significant increases in funding for federally impacted school districts. Her concerted outreach to the entire NAFIS family enhanced a unified voice and helped move the NAFIS agenda forward. Doebert also served as President of the Federal Lands Impacted Schools Association (FLISA).
Congratulations Sandy for this prestigious award!
