RE: 15 Hour 2020 Code Update Classes for MA, ME, NH, and VT
Electrical Calculations 6 Hour Professional Development Classes
600 Hour Journeyman Electrician Program Spring Classes (75 hour module)

The Massachusetts Board of State Examiners of Electrician of the Division of Professional Licensure of the Commonwealth (<https://www.mass.gov/orgs/board-of-state-examiners-of-electricians>) has approved McCann Technical School as a provider of the 15-hour electrical code update class and we have similarly been approved by the states of Maine, New Hampshire, and Vermont. We have also been approved to offer 6-hour electrical calculations professional development course. We will continue to offer classes for the 600-hour electrical journeyman program and 150-hour master electrician program.

15 Hour Code Update Classes.

Weekend classes (Sat. 8:00-5:00, Sun. 8:00-4:00) **Feb. 8-9**, or **Mar. 14-15**, or **Apr. 11-12** or
Nov. 7-8, 2020

Evening classes (Mon.–Wed., 5:30-9:30, Thurs. 5:30-8:30) **Mar. 23-26**, or **Apr. 13-16**, or
Sept. 14-17, or **Nov. 16-19, 2020**

The course requires a copy of the 2020 electrical code with Massachusetts amendments. You may request that we order one for you as noted on the registration or bring your own copy.

COST

\$215.00 for weekend class includes donuts, coffee and lunch both days
\$190.00 for 4 evening classes, no food
\$125.00 code book if we need to order one for you
