

# CENTERVILLE BUSINESS ACADEMY

Learn the fundamentals of operating and managing a successful business. If you intend to major in business or accounting in college, this two-year course will be the springboard to launch your objectives. You will learn methods of conducting business using state-of-the-art technology. The program focus is to provide a total integration of business skills needed for today's business careers; including collaborative teamwork, decision-making skills, leadership skills and cultural thinking skills. Earn college credit in high school toward your associate degree with dual enrollment courses and a \$3,000 Sinclair Tech Prep Scholarship. Students can take any Advanced Placement or Honors classes while taking this Tech Prep program!
