Dear Wiseburn Families,

In a commitment to continuous improvement of our educational programs the District has employed consultants to assist the District by conducting a review of the Preschool and Before and After School programs. As a parent, you are an important part of the input process for the review. We would appreciate your perspective by linking to a district survey and responding to the questions on the survey.

In addition to asking for your written input, a parent meeting has been scheduled for **Monday, January 13, 2020 from 5:30-6:30 p.m.** at your child's school. For Cabrillo/Burnett families, the meeting will be held at the Cabrillo Multi-purpose room. For Anza families the meeting will be held at the Anza auditorium. If this date and time are not convenient for you, a second meeting time has been scheduled on **Tuesday, January 14, 2020 from 8:00 – 9:00 a.m.** at the same locations. You are invited to attend either of these meetings to discuss your views on how the District is doing in serving our students, particularly with respect to the Child Development Centers and Before and After School programs.
