

# SCIENCE SAFETY CONTRACT

## Safety First!

1. Follow the teacher's written and oral instructions carefully. Do not touch materials or supplies before you have instructions.

2. Use tools and materials correctly.

3. Wear proper safety equipment.

4. Tell the teacher immediately if any injury or accidents occur, no matter how small. Tell the teacher if you see any unsafe behavior.

5. Do not eat or drink anything in the lab without teacher approval

6. There will be no horse playing.
