

The School District of Haverford Township

PHYSICAL and DENTAL EXAMINATIONS

To Parent/Guardian:

In accordance with *Pennsylvania School Code § 14-1402-E*, your child must have a physical examination upon original entry, 6th grade, and 11th grade. Your child must also have a dental examination upon original entry, 3rd grade, and 7th grade. These examinations must be performed by practitioners in Pennsylvania. Physical and dental exam forms that can be used can be found on our website under [Medical Forms and Policy](#).

You are encouraged to have your family doctor and dentist perform these examinations. If this is not possible, arrangements can be made at your school for the school physician and/or school dentist to perform the examination(s) during the school term. You will be notified of the date and time of the examination(s).

Please indicate below whether you will have these examinations done privately or if you desire that one or both examinations take place at your child's school.
