## Sports Calendar

### Key Events Term 2

2019/20

GENERATIONS  
of EXCELLENCE

# Foreword

There have been some wonderful performances over the course of Term 1, 2019/20, including most recently, our 18&U Netball team, who won the inaugural FOBISIA Netball tournament, here in Singapore; success for the U16s and U18s in the Sithwalta SCC Rugby 7's Cup, our U18s winning for a record sixth consecutive year; an amazing tally of 114 medals, including 6 overall individual winners at the FOBISIA Gymnastics in Bangkok, an event involving students from the Infant, Junior and Senior Schools; and Stella (Year 8) winning silver at the SEASAC Cross Country event in Kuala Lumpur. Importantly, the percentage of children representing the school continues to increase.

It is exciting to note the various events coming up in Term 2. They provide excellent vehicles for students to challenge themselves and build on skills, tactical awareness and competitive drive, whilst also being collaborative, creative and collegiate.

I look forward to seeing you on the sidelines at one of the major events or at one of the many other weekly sporting fixtures.

**Craig Considine, CEO**

## Key Staff

## Tanglin Trust School Friends of Sport

### Season 2 Drinks

22 January 2020 7.00pm-9.00pm

The Moot, Level 5 The Nixon Building

Tanglin Trust School

We are delighted to invite parents to hear from Craig Considine, CEO who will share his perspective on performance sport at Tanglin. Craig will give a presentation with his reflections gained over 30 years working in the Independent school sector across three continents. This will be augmented by an expert panel including TTS Foundation Athlete-in-Residence and Olympic medal winner, Jaz Carlin; Tanglin parent and eminent Sports Psychologist, Tracey Veivers; Coaching and Sport Science Director, Richard Shuttleworth and Karen Velthuis OLY, former GB Diving Olympian. The panel will take questions from the audience and will be moderated by Kate Burton, who is the lead commentator on the Ladies Professional Golf Association (LPGA) having herself previously represented her country at golf internationally.

Light refreshments and drinks will be served in The Moot foyer after the presentations and discussion.
