Payment Information

**CDS PAYMENT SYSTEM** For all payments, CDS uses FACTS Management Company.

**DEWAR TUITION REFUND PLAN (TRP) INSURANCE – 1.2% OF TUITION DUE**
- TRP protects your financial obligation at a modest cost by paying benefits to the school if your child withdraws.
- TRP is required for semi-annual or monthly payment plans.
- TRP is available for annual payment plans but not required. In the instance of a withdrawal or departure, part of unused tuition would be refunded.

**PAYMENT OPTIONS**

1) **ANNUAL**
   - The annual FACTS set-up fee is waived for families who choose to submit one payment for the tuition total. You may pay by check, debit, or credit card.
   - If you decide to change to semi-annual or monthly option, TRP and FACTS set-up fees will be billed.

2) **SEMI-ANNUAL**
   - The annual FACTS set-up fee of $15 per family is drafted from the account of your choice upon payment plan confirmation.

3) **MONTHLY**
   - The annual FACTS set-up fee of $45 per family is drafted from the account of your choice upon payment plan confirmation.
   - Choose the draft schedule that best suits your needs. There are five draft date options at payment plan confirmation: 1st, 5th, 10th, 15th, or 20th of the month. Other payment dates or semi-monthly payment arrangements are available upon request.

**PAYMENT TYPE**
- Payments can be made by credit card or debited from a bank account via FACTS.
- FACTS accepts most major credit cards and assesses a 2.85% convenience fee per credit card payment.
- Families choosing the Annual Payment option may pay by personal check to FACTS.
