## Notre Dame receives a \$1 million gift for ball fields

The largest gift in Notre Dame's history was donated in August 2017 to support an extensive renovation of the softball and baseball diamonds. \$1 million dollars was given to the school by an anonymous donor and in just under eight months, a brand new turf baseball field and softball turf outfield were put in. With the support of the athletic booster club, new bullpens, batting cages, dugout upgrades and an improved drainage system were also a part of the project.
