## Parent Newsletter

December 2019

### FROM THE PRINCIPAL'S DESK

Dear Parents:

The holidays are always memorable for enjoying seasonal music and family gatherings. The high school winter concerts are very diverse and each provide a wonderful evening of music for fans of all ages. The Chorus Concert is scheduled for Thursday, December 5, with the Orchestra Concert on December 10. The school concert season concludes with the Band Concert on Thursday, December 19. All the concerts begin at 7 PM and offer a terrific jolt of holiday cheer! Also, the Chorale will be performing at Neff's UCC at 7 PM on Sunday, December 8.

Congratulations to the talented cast and crew of *Disney's Beauty and the Beast Jr.* for their memorable performances during their recent children's show performances on November 8-10. Every aspect of the show was outstanding and I'm looking forward to another great group of performers in the next three to four years. Special thanks to Mrs. Elizabeth Smith, Miss Andrea Roposh, and Mrs. Kimberly Brown for their dedication in providing such a wonderful experience for cast, crew, and patrons alike.

On the athletic courts and fields Parkland once again enjoyed a very successful fall sports season. Girls Volleyball really jelled as the season progressed. Exceeding expectations, this young team spiked the competition in winning both EPC and District XI titles before succumbing to Bishop Shanahan in the semifinals. Football was rolling along, riding an 8<sup>th</sup> game winning streak. Unfortunately, their quest for another District XI title came to a sudden halt in an overtime loss to Nazareth. Field Hockey also enjoyed a very strong season (EPC runners-up) but ultimately lost in district playoffs. Girls Soccer once again won the EPC title before having a tough night in Districts. Boys Tennis had a tremendous season in winning the EPC and District XI titles with an outstanding 19-1 record. Overall, I want to congratulate and thank all our varsity programs for their commitment to excellence, selfless attitudes, and positive contributions to Parkland on the field, in the classroom and in the community.

For some of our students it is Keystone Exam time again at PHS. December brings another chance for our students to demonstrate proficiency on the Literature Keystone Exams. Tests will be administered in the library on December 4 and 5. Good luck to all our test takers!

The holiday season always moves quickly so I just want to remind everyone that January is the beginning of course registration. The 2020-2021 Course Selection Book will be available on the PHS website mid-December.

As anyone who drives on campus knows, Parkland High School experiences high volumes of traffic on a daily basis at arrival and dismissal times. The administration requests that all drivers adhere to speed limits, signs, and general rules of the road when on district property. This includes not being double parked or waiting in no parking zones. It is a good practice to remain courteous to other drivers as well as to drive defensively. We appreciate your support as we try to reduce the potential for traffic accidents.

Wishing you a healthy and happy holiday season,

James E. Moniz II  
Principal

## VISUAL AND PERFORMING ARTS

### CHORUS CONCERT

The winter concert season is about to kick off, and this year it begins with the Chorus Concert on **Thursday, December 5 at 7 PM** in the Auditorium. This concert will feature the Mixed Chorus, the Concert Choir, the Women's Ensemble and the Chorale. More than 300 students will take the stage for this annual event. The groups are preparing for their upcoming trip to Walt Disney World where they will take part in the Candlelight Processional in Epcot.

### CHORALE CONCERT

The Chorale will hold its yearly concert at Neffs UCC on **Sunday, December 8 at 7 PM**. This is the only opportunity throughout the year to hear this select choir sing a complete program of music. Always a crowd favorite, admission is free. Plan on arriving early as seating is limited. What a great way to celebrate the season.

### ORCHESTRA CONCERT

The High School Orchestra is also traveling to Walt Disney World in December where they will perform at the Disney Springs Marketplace stage on Thursday, December 12 at 12:15 PM. Their winter concert will take place on **Tuesday, December 10 at 7 PM** in the Auditorium. Come out and hear all of the different ensembles as well as the sound of the full orchestra, complete with brass and woodwinds in addition to the strings. It is sure to be a program filled with surprises and is a great way to get into the seasonal mood.

### BAND CONCERT

The high school winter concert season ends on **Thursday, December 19**. The PHS Band will take over the stage and the Concert Band, Symphonic Band, and the Combined Ensemble will all perform. The concert begins at **7 PM** and is free to the public.

The Dance Team looks forward to holding its annual Hip-Hop Clinic on Saturday, January 18 in the Auxiliary Gym. Informational flyers will be handed out at all elementary winter music concerts.

### SPRING MUSICAL

Parkland High School is proud to announce the Spring Musical for 2020. We will be bringing the classic story, ***Tuck Everlasting***, to the main stage **April 15 –19**.

*What would you do if you had all eternity? Eleven-year-old Winnie Foster yearns for a life of adventure beyond her white picket fence, but not until she becomes unexpectedly entwined with the Tuck family does she get more than she could have imagined. When Winnie learns of the magic behind the Tuck's unending youth, she must fight to protect their secret from those who would do anything for a chance at eternal life. As her adventure unfolds, Winnie faces an extraordinary choice: return to her life, or continue with the Tucks on their infinite journey.*

Based on the best-selling children's classic by Natalie Babbitt, and adapted for the stage by Claudia Shear and Tim Federle, ***Tuck Everlasting*** features a soaring score from Chris Miller and Nathan Tysen. Appropriate for ages 10 and up, this is a story the whole family can share. **Tickets for *Tuck Everlasting* go on sale online December 3 at noon.** All Parkland show tickets are available online at [www.showtix4u.com](http://www.showtix4u.com). Prices are \$11 for adults; \$9 for students and senior citizens 65+.

### MARK YOUR SPORTS CALENDAR!

#### College Media Day

College Media Day will be **Tuesday, April 21, 2020, at 9:30 AM** in the Auditorium. We will recognize all senior athletes that will be continuing their athletic career at the collegiate level. This is for any senior athlete who participated here at Parkland in a PIAA sport during their senior year. Parents, family and friends are all welcome to attend.

**Spring 2019-2020 sports physicals will be held**

**Saturday, February 8, 2020 at PHS.**

**Boys 8 — 9:30 AM, Girls 9:30 — 11:00 AM**

**They are free.**

No student can participate in a spring sport without a full PIAA physical. Recertification forms may be used for a spring sport if the athlete had a full physical for a fall or winter sport in 2019. The Parkland Athletic Department understands that it may not be convenient to come to our scheduled free physical event. However, those who miss must get a PIAA physical on their own prior to March 2, 2020. Paperwork for this is on the PHS website <https://phs.parklandsd.org/> under Departments - Athletics - Forms. All Parkland athletes must get an IMPACT test once during their four years at PHS and before participation.

**The first day of spring sports is Monday, March 2.**

## INFORMATION FROM THE HEALTH ROOM

The upcoming holiday season offers the opportunity for more social interaction and the opportunity to spread more than holiday cheer.

### FLU SEASON GUIDELINES

The flu season continues to be in full swing through April. It is recommended that your student receive their flu vaccine at this time; please check with your doctor.

To help stay healthy and decrease the spread of illness in the school, we are encouraging all families to adhere to the same criteria the Health Room uses as a guideline when sending students home ill from school. Please keep your child home from school, despite scheduled tests or sporting events, if he or she is experiencing any of the following symptoms:

- fever of 100 degrees or more
- vomiting/diarrhea
- severe head cold
- persistent cough
- severe sore throat

**\* Students should not return to school until they are fever-free for 24 hours without the use of fever-reducing medications.**

As always, if you have any questions for the Health Room do not hesitate to call 610-351-5616.

### JUNIORS

#### 11th GRADE PHYSICALS

All eleventh grade students should return their physical forms to the Health Room as soon as possible. Forms are available on the [PHS website](#).

#### NEW IMMUNIZATION REQUIREMENT

The Meningitis Vaccine is required on or after the student's 16<sup>th</sup> birthday. Students in the 11<sup>th</sup> grade will be required to have this immunization on the first day of their senior year. The 11<sup>th</sup> grade physical is a good time to be sure this immunization is completed. Forms are available on the [PHS website](#).

## LIBRARY LINES

### CREATING. INNOVATING. ENGAGING.

Parkland High School Library has been in full swing and focusing on these topics through Makerspace events, new additions to the collection, and fun activities. December is sure to be a continuation of these efforts.

### STUDENT TEACHER

The library has a student teacher who will be here until mid-December. She has had opportunity to learn about all the activities and resources available to our students.

### NOVEMBER RECAP

In November, the library did a week long raffle with different events to encourage students to utilize the library and the materials offered. For each activity completed, such as writing a book review, creating something in the Makerspace or following the library on Instagram at [phs\\_library](#), students received a raffle ticket to enter for a prize.

### NEW IN THE LIBRARY

There will be various **Makerspace events** this month, so be sure to check out the calendar in the library to see when they are scheduled.

#### Collaboration Station

We recently added a collaboration station, available to students and teachers. A table is set up with five chairs and a computer at the end so that discussion can take place on presentations or assignments. The great thing about this new area is that it was cost-free because the library repurposed existing resources to create it.

#### New Books

There is a wide gamut of new books available for checkout, including romance, sports, horror, and graphic novel titles.

#### Reader's Advisory Poster

A reader's advisory poster has been added to assist students with selecting books. If one book was enjoyable for a student, there are other title recommendations in the collection that might be of interest.

### REMINDER

Keep in mind that the library will be closed before school and during Literature Keystone Testing, **December 4 and 5**. Please plan accordingly.

As we bring 2019 to a close, make sure to stop in the library and engage with the resources available before the holiday break.

## DRIVER'S EDUCATION

### WINTER DRIVING SAFETY

Talk to your child about winter driving safety. Here are some topics to help you start the conversation:

**Fact:** According to the National Highway Traffic Safety Administration (NHTSA), from 2011 to 2015, Pennsylvania was considered one of the top five deadliest states for winter car accidents.

#### CAUSES OF WINTER ACCIDENTS:

##### Poor Visibility

During the winter months blizzards, hail, heavy snow, rain and fog can reduce visibility on the roads and increase the risk of an accident. In addition, snow pile up on the roads can make it more difficult for drivers to see traffic signs, pedestrians, vehicles and other objects along the road.

##### Slippery Roads

Sometimes the causes of car accidents on the road are also caused by things we *can't* see. When it rains and temperatures drop down, roads can become slippery with black ice. Black ice on the road forms from light freezing rain or snow that has melted and refrozen.

##### Car Condition

Steering through harsh weather is already tough enough, but having a vehicle that's not equipped to do so is detrimental. If your car has worn out or bald tires, your risk of getting in an accident from the road conditions are increased since your tires have poor traction. Broken headlights or taillights, defroster fans, and windshield wipers can all effect how you navigate through winter weather.

##### Excess Snow

That's right, snow itself can cause major winter accidents. Snow or ice left on vehicles can fly off and cause serious injuries or damage to you or others on the road. In fact, you can be fined up to \$1,000 in Pennsylvania if ice and snow projecting off of your car injures someone or causes damage.

### BEHIND-THE-WHEEL PROGRAM

If your child has recently obtained their learner's permit and is interested in the Behind-the-Wheel program offered through Carbon Lehigh Intermediate Unit 21, register online at [www.cliu.org/driversed](http://www.cliu.org/driversed).
