

Welcome WHMS Families! We are glad to have you join this great community and look forward to meeting you personally in the days to come!

There are many exciting events that happen throughout the year. This letter is designed to give you some beginning information about our school's activities and events, and the many opportunities to get involved at whatever level you would like.

We understand how challenging it can be to be a new parent/family coming into WHMS. We would like to help make you feel more comfortable and welcome at the school.

The PTO meetings are scheduled monthly throughout the school year, and **everyone is invited and welcome**. The dates can be found here on the PTO website, in the PTO newsletters, and in the Daily Announcements.

As for volunteering, you can volunteer as much or as little time as works for you and your family. There are also many things you can do at home to help out, even if your work schedule keeps you from being able to come to the school. Volunteer opportunities range from bringing food or drink items to the school to chairing an event and organizing volunteers. **Any and all help is very much appreciated.**

Chair positions we are currently looking to fill are for Run For The Hills Event Chair and Hospitality Co-Chair. Both positions come with information from prior chairs that include binders of information, templates, and loads of helpful information. We are looking into offering more co-chair opportunities if that may interest you.
