

Our Lady of Mercy

2019-2020

Family Event Passes

OLM needs your support as we begin our new school year. The Mercy Foundation is again offering a “Family Event Pass” for the low price of only \$160. This pass allows you and your immediate family members FREE entrance to ALL regular “home” Mercy athletic & cultural events. When you think of all the football, basketball, and volleyball games, along with the wonderful Arts performances put on by our drama and dance students, you can see that this pass will pay for itself very quickly and **SAVE** you money.

This pass is limited to you, your spouse and your children. It does not include additional costs of dinner and/or concessions.

Mail or stop by the school with this FACTS authorization form today. Please include the form below when submitting your request to deduct via FACTS. As a “Mercy Family” we want to support our students in all their endeavors. Let’s use this Family Event Pass opportunity to unite behind our school, get to know each other better, and have FUN!!
