

HIGH SCHOOL FOUR-YEAR PLAN

Name: _____

Trade Schools

Trade schools represent schools such as the Universal Technical Institute and the Missouri Welding Institute. They provide hands-on training and career experiences for students. They typically require a high school diploma for admissions.

3. Elective Science			1
4. Social Science/ Elective			1
5. Elective/ Consumer Credit			1
Physical Education			.5
6 th Major	Optional		

Currently, approximately 1% of students go directly to a trade school (about 29% go to a community college, with some of those students studying a trade there).

Crystal Lake South offers many classes that provide valuable career certifications and work experiences, including a senior year internship class.

Students who are involved in school sports and activities tend to have better grades, enjoy high school more, and increase their chances of acceptance to selective colleges.
