4. pack of notecards to be used for vocabulary

All of the above should be brought to class every day. A dictionary is not necessary.

Class calendar: Every 3 weeks we will cover one unit in our textbook. At the end of the 3 weeks a test will be given. Students will be notified when quizzes and other assessments will be given. Dates for most forms of assessments will be listed on Canvas.

Attendance: See the Student Handbook for the district's attendance policy. Please remember that one class period at Ben Barber is equivalent to two class periods at your home campus.

An absence is defined as missing 20 minutes or more of any class.

Tardiness: See the Student Handbook for the school's tardy policy. After the 3rd tardy parent will be called. After the 4th tardy disciplinary action will be taken by the office.

Late Work: In general homework and projects are due at the beginning of class when I ask for it. Students will have until the next class period to turn in late work for a 70. Incomplete work will receive partial credit. Assignments not turned in will receive a 0. Students will be able to bring failing grades up by attending tutorials either before or after school.

Class participation: Students begin every 2 week period with a 100 participation grade. Students will lose points by speaking English when asked to speak German or by refusing to participate in class activities.

Missed tests or assignments: Students have one week to schedule make-up tests, dialogs, presentations, or other "major" assignments.. Missed daily work may be placed in the appropriate colored bin in the back of the room at any time during the Six Weeks. It should be marked "absent." ALL missed assignments must be made up by 2.30 PM on the last day of the Six Weeks.

Retake: Quizzes and tests may be retaken once before the end of the six weeks grading period for a maximum grade of 70.

Academic dishonesty: Students caught cheating (copying answers, assignments, using someone else's work, using a translator of any kind, etc.; i.e. NOT doing their own work) will be given a 0. Students may make these grades up for up to a 70.

Grades: The Six Weeks' Average According to district policy, the Ben Barber LOTE Department has adopted a common averaging system for use in all LOTE courses. Students' grades will test proficiency in five language skill areas: Listening, Speaking, Reading, Writing, and Culture. Tests are periodic, concentrated exams or projects that test the student's mastery of all five skills on a given topic. Major Essays as well as Projects may also be counted as Tests. Daily Grades cover dialogs, monologues, role-plays, grammar assignments, worksheets, and listening comprehension activities graded in class. The Homework and Quizzes category covers homework, writing, some class work, and quizzes.

The Six Weeks' Average consists of a composite average of

- 40% Test grades
- 35% Homework/Quiz grades
- 25% Class work

At the end of the Course, students will take a comprehensive Final Exam. This exam will be averaged with the 3 Six Weeks' averages to produce the Final Average as explained below:

- Final Exam— 20 %
- First Six Weeks— 26.6%
- Second Six Weeks— 26.6%
- Third Six Weeks-- 26.6%

Due to the fact that this course is a double block, and students will be able to complete a year in a semester, there will not be a semester exam.

Encouragement: You will help your son/daughter most by encouraging them. Praise him/her for the progress you see and demonstrate a positive attitude about his/her ability to learn German. Also, encourage him/her to keep up with written work when it is assigned. Most students who perform poorly do so because they don't consistently study or finish homework. Student behavior, success in this course, and your son/daughter's lifelong success as well, depends on developing self discipline. I have therefore adopted the following Classroom Discipline Plan in order to provide your son/daughter with the most positive, stimulating academic atmosphere possible in order to help insure his/her success in German. This plan is in effect at all times.

Rule: Don't do anything that anyone else would have a problem with (including me).

Consequence: 1st offense; Warning, 2nd offense: Student/teacher conference; 3rd offense: Parent phone call; 4th offense: Office visit with an Assistant Principal

Electronic Devices: (cell phones, ipads, laptops ect.) Students are permitted to carry cellphones as well as use MISD-issued laptops/iPads during instruction time; however, students are also expected to comply with district and campus policies (as outlined in the Student Handbook, page 26) while in my classroom.

Specifically, about the introduction of iPads as an instructional tool: "The iPad comes equipped with a microphone, front and rear-facing camera, and video capacities. Mansfield ISD retains the right concerning any recording and/or publishing of any student or staff member's work or image. You must obtain permission from the principal or designee before recording an individual or group or publish a photograph or video of any school related activity. Unauthorized recordings are subject to disciplinary action in accordance with MISD Student Acceptable Use Policy." (Student Handbook iPad policies and guidelines are on pp. 39-44).

Let me assure you that I am interested in working with you for the best interest of your son/daughter. If you have any questions or concerns, please call the school (817 299 1900) and leave a message or send an email to candicehoenig@misdmail.org.
