**Assessments** - All grading will be updated within 5 school days of the completion of the assignment. In each 6-week period, there will be at least (2) major grades, (8-10 daily grades). Professional Ethics is a large part of the course. Students are expected to take part in all class projects. Grades are broken down according to percentages adding up to 100% for the semester.

First 6 weeks: 26 %    Second 6 weeks: 27%    Third 6 weeks: 27%    Semester Exam: 20%

*Daily (Training Stations, journals/ worksheets) / Professional Ethics (class participation) = 60%*  
*Major (Assessments, projects) = 40%*

**Semester Exams/Finals** - Each semester, specific exam schedules are designated for MISD high school and dual credit courses. These schedules must be followed. Neither mid-term nor final exams are given early. If a student is absent on the day of an exam he/she will take the exam at a date/time designated by the school.

**Discipline Policy** – If a student chooses to disregard class policies, the following steps will be taken:

- verbal warning
- student will be taken out of lab/production and given an alternate assignment\*
- parent call
- student will be sent to their principal

**Attendance / Make-up work** - Attendance can negatively affect a student's average if they are not present during hands-on training sessions, which cannot be made up. Students needing make-up work will be given a written assignment equal to the amount of training missed.

- The teacher may assign the student makeup work based on the instructional objectives for the subject or course and the needs of the individual student in mastering the essential knowledge and skills or in meeting subject or course requirements.
- A student will be responsible for obtaining and completing the makeup work in a satisfactory manner and within the time specified by the teacher. When absent, the student is afforded the number of days missed plus one additional day to turn in makeup work. [A/B Block Example: A student misses Monday and Tuesday of the week and he/she returns on Wednesday of that same week. Student work from Monday's absence is considered late after Friday, and student work from Tuesday's absent is considered late after the following Monday.]
- A student who does not make up assigned work within the time allotted by the teacher will receive a grade of zero for the assignment.
- A student is encouraged to speak with his/her teacher if the student knows of an absence ahead of time, including absences for extracurricular activities, so that the teacher and student may plan any work that can be completed before or shortly after the absence.
- A student will be permitted to make up tests and turn in projects due in any class missed because of absence. Teachers may assign a late penalty to any long-term project in accordance with time lines approved by the principal and previously communicated to students.
- See UIL Eligibility ("No Pass/No Play") guidelines for additional information related to grades and UIL Eligibility.

During the first few days of class, the students will have the opportunity to set up the classroom cell phone usage policy with their instructor.

**Parent contact** – I encourage all parents to contact me, either through email or phone call, and to visit the lab whenever possible to view many of the projects students will be working on throughout the year.

### **Test Re-Take Policy**

- Students who fail a major test/assessment (below 70%) will be allowed to retake or correct up to a 70% grade. This does not include semester examinations.
- Students are expected to make arrangements with the teacher to retake or correct a major test/assessment.
- Students are encouraged to participate in tutoring opportunities before retaking a test.
- Each teacher will communicate routine requirements for retakes/corrections in their syllabus.
