

\*\*\* **DISCLAIMER:** These are reports of estimations of how much time the average student will need to spend on homework each week. Please recognize that the time a student spends on homework will vary based upon student preparedness, student focus and effort, learning/study habits, homework environment, age, developmental stage, etc. Use these guidelines to calculate your weekly time commitments.

**NOTE:** All times are reported in hours. Classes with — have reported 0 hours beyond class time.

Courses **bolded in red** require 2.5 or more hours of work (*on average*) **OUTSIDE** of class / per week.
