At Timberline, we believe that student engagement is directly correlated with interest. We support student choice and do our best to place students in electives that they have requested. However, this is not always feasible based on the schedule layout, so we appreciate your consideration and understanding if you do not end up in the electives that you have requested. We will always do our best to try to make this happen, and there will be time in the first couple of weeks to allow for student to request to change their electives, but there are no guarantees.

Choose your PE class. 1 semester of PE is required in 7th grade.
