

4. Career Development Courses (Optional) are offered in District 196 to juniors and seniors. They occur over a full block period every day, thus they take up **TWO** of your **FOUR Non-House Course** options above. Please check the Career Development Course you would like to take below (**you are limited to ONE per year**) and adjust your *Non-House Courses* down to **TWO**. Also, note that you will **NOT** have a study hall.

I am **NOT** interested in a Career Development course.

At SES:

- CIS: Animal Science
- Zoos Aquariums and Small Animal Care
- Sustainable Systems in Plant & Animal Science
