

General Directions for Administering MAZE Measures

MAZE is **group** administered and students read the passages **silently**.

1. Directions for administering MAZE are included with the two passages to be administered.
2. **Two passages** are administered and averaged to get the final score. The score is the number of correct responses the student gets. This averaged score is entered into MIM (Mastery in Motion).
3. Remember that the student reads each passage for **3 minutes**.
4. Be sure that students do not go back to passage 1 when they are to be starting passage 2. Monitor students to make sure they have moved to the second passage before beginning the timing for passage 2.
5. Scoring keys for each passage are provided.
