Attention Parents and Guardians,

Did you know that Breakfast and Lunch meals are Free for all students at North Sashabaw Elementary? We offer a variety of menu options each day for breakfast and lunch including fresh fruits and veggies. Check out our breakfast and lunch menu: [click here](#).

Not only are all meals free on school days, we offer take home lunches for all students on half days for free as well! Our staff delivers meals to the classroom before school ends so all your student needs to do is grab it on their way out. Whether you're picking them up or they are riding the bus, all students are welcome to take a meal home. Be sure to take advantage on January 16 and 17!

Food Service also has some exciting news to share in regards to breakfast. A grant was obtained through United Way and the Better with Breakfast program which has provided North Sashabaw Elementary with equipment to start providing Breakfast in the Classroom. Currently the Fifth Grade is enjoying breakfast in their classroom and we look to add more grades as the year goes by.

Breakfast is a great way to start the day and we have just what your student needs to start it the right way. Breakfast is free for all students and is served out of our normal serving area for kindergarten through 4th grade. As mentioned, 5th grade has breakfast delivered to their classroom. Your student just needs to stop by our serving area and they can grab a fresh breakfast and go straight to their classroom.

We hope to see your student in the Cafeteria!

Matt Severson
