Coats for Cold Weather

Boys' Latin is a family, and as such, we want to make sure our warriors have what they need. As the weather gets colder, we encourage our families to seek out support from our School Social Worker, Ms. Gordon at 215-387-5149, if your family needs a warm coat or clothing. Stay warm!

College and Beyond....

Students should come to school with independent reading books which they can enjoy during morning Advisory. Please ensure your scholar spends at least two hours each night studying and reading. If he's completed his work, he can practice his Latin.

Latin: *Educatio ius genere ortum meum est.*

English: *Education is my birthright.*

Latin: *Educatio ius e genere ortum liberorum omnium est.*

English: *Education is the birthright of all children.*

Latin: *Educatio ad libertatem via est, quae libertas ut possim conficere proposita privata datur.*

English: *Education is the pathway to freedom, the freedom to achieve my personal dreams. Education is the path to justice.*

We are preparing for a grand celebration during the month of February to honor the various contributions of African Americans. If you would like to get involved, reach out next week. Feel free to e-mail Principal Allen at: tallen@boyslatin.org
