

Family Information and Engagement Nights

Starting this school year, we are working to restructure our monthly cPc meetings based on your feedback. We are also working to find new ways to inform and engage families, build relationships, and strengthen our home-school partnerships. In place of our monthly cPc meetings, we will now have Family Information Nights and Family Engagement Nights. These evenings are designed to celebrate the great things our children are doing and to continue to encourage their growth as strong readers and thinkers. The Family Information Nights are designed to help keep you current with what is happening at PREP and provide opportunities to get your questions answered. Please mark your calendar to join us for these nights!
