Develop your child's intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Also, chess has been proven to enhance children's motivation, concentration, focus, social skills, and creativity.

No previous knowledge of chess or prior chess experience is necessary. Each class will consist of a fun, interactive teaching period and guided practice time. Both beginner and experienced players are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes at the end of the session! This program is open to grades K-5.

Course Time: Wednesdays, February 12th - March 18th, 3:00 PM - 4:00 PM
(6 Classes)

To sign up for chess, please visit <https://www.learningmeansfun.com/signup>.

You will need to enter the course code **RCE2.12.20** to register. Please register by 10pm PST on 2/4 for the early bird price of \$108.00.

If you have difficulty registering, please contact Afterschool Enrichment Solutions at 847-482-9999 or registration@learningmeansfun.com

No refunds will be made, unless there is insufficient enrollment. No make-ups will be scheduled for inclement weather or circumstances beyond our control. It's the parents' responsibility to remind the children about the classes.

The Beaverton School District does not sponsor or endorse the activities and/or information in community flyers.
