North Creek High School DECA students were among 1,600 students who competed at Washington DECA's Area 3 competition in Bellevue's Meydenbauer Center on January 10th.

Through their strong performances, **thirty four (34)** North Creek students qualified for Washington DECA's State Career Development Conference (SCDC), which will be in March. At SCDC, students will have an opportunity to qualify for DECA's prestigious International Career Development Conference in late April, and join nearly 19,000 other students in Nashville, Tennessee.

North Creek DECA students have worked hard to prepare for competition this year; not only in the classroom, but also by participating in workshops, mock competitions, and other activities.

DECA is an association of marketing students focused on preparing emerging leaders for careers in marketing, finance, hospitality, management, and entrepreneurship. There are over 215,000 high school DECA members from 3,500 schools throughout the world.

Please mark your calendars for Family Registration Night on **Thursday February 27 @ 6 PM** in Building 3! 4. **Never Alone: Discussing Student Mental Well-Being and Suicide Prevention**

From Dr. Reid's Thursday Thoughts:

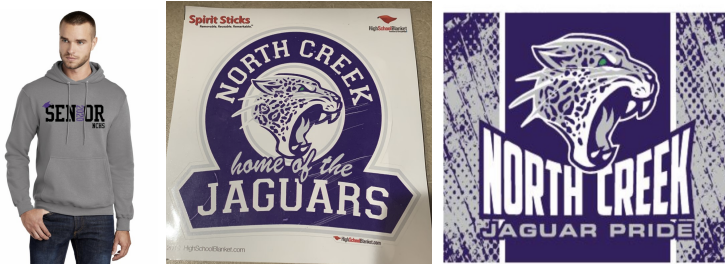

As we continue to make progress in our work to address mental health challenges, I want to share news about [an upcoming community event](#) that is focused on mental health and suicide prevention. Currently, in our region, suicide is the second leading cause of death for young people ages 10 - 24. During this community event, our goal is to help remove the stigma around mental health and discuss tools for seeking help and coping with an increasingly stressful world. The event is scheduled for January 30 at the Northshore Performing Arts Center from 6:00 pm – 8:00 pm. and will feature: Interactive Discussions, Student Voices, and a Film Preview. Special attendees will be Gabriella Wright, Never Alone Co-founder, Speaker, Philanthropist, and Actor; as well as Poonacha Machaian, Never Alone Co-founder and CEO, and advisor to Deepak Chopra. Seating for this community event will be limited, so we are asking that [you reserve your seat prior to attending](#). Special thanks for this evening goes to Ganesh Banavar, a parent whose passion for this topic was kindled by the recent loss of his son to suicide.

Just a reminder to all members of the Class of 2020. First, the mandatory graduation rehearsal is part of the Salute to Seniors Assembly on Friday June 12. Please remember that if your student is not in attendance on Friday, they will not be part of the Commencement Ceremony on Monday June 15. Second, the Salute to Seniors Assembly is preceded by Senior Breakfast - a wonderful way for all of our Seniors to start their very last day of high school. Both the Assembly and Breakfast are at North Creek so the entire class is together, at school, on their very last day!
