## **SLT Dates:**

Planning for the 2020-2021 school year is already underway!

On-Campus Retreat and working our Back to School events are so important for all Leadership students. Retreat gives us a chance to bond together as a team, prepare for the coming year, choose themes, discuss activities, and have a lot of fun together before the real work begins. You all play a vital part in the activities program at CLHS and without the hard work of SLT, activities would not happen.

Please check your grade level for your requirements. If there is a conflict with any of the dates below, you will want to alert Ms. Papandrea as soon as possible.
