Dear Potential First Aid and Personal Trainer Student and Parents/Guardians:

Through a partnership with Joliet Junior College (JJC), Joliet Township High School students have an opportunity to take KIN 207-200 while still in high school and upon successful completion of these courses, earn both college and high school credit simultaneously. Students wishing to enroll in these dual credit classes must

- Complete the Academic Dual Credit Student Approval Form.
- Complete the application for admission to Joliet Junior College
- Contact the college or university they plan to attend regarding approval of transfer credit.
- Check NCAA eligibility status if applicable.
- Meet with their counselor to enroll in the class with all required paperwork completed by **April 17, 2020**.
- Attain building Principal's approval to leave campus.

The following is general information about the dual credit opportunity for Joliet Township High School students:

- KIN 207-200 will be taught on campus at JJC on Tuesday and Thursday from 1:00 p.m. until 2:20 p.m.
- Students will be released from the high school campus at 12:20 p.m. each day.
- Transportation to and from JJC will be the responsibility of the student and parents/guardians.
- Tuition and fees will be the responsibility of the student and parents/guardians.
- Costs of textbooks and other required materials will be the responsibility of the student and parents/guardians.
