

CLASS OF 1976 - OFFICERS' MEETING
September 16, 2019

Meeting conducted by teleconference.

Attending: Linda Ury Greenberg, Fayre Crossley, Louise Dunbar, Ellen Boates
Clark

Absent: Helen Clement

Linda noted that Helen was unable to join the call. Helen passed along word that there was no new financial information to share.

All-Class Mini-Reunions

Linda reported that the Toronto reunion was very successful. Seventeen people (11 classmates and 6 guests) were able to attend. All appreciated the variety of activities and the opportunities the city location provided.

The 2020 river cruise in France already has 15 people signed up (12 alum and 3 guests). The number of cabins is limited and payment is due mid-March. An additional email blast encouraging sign-ups will be sent. Ellen also has included a note in the Fall Wellesley Magazine.

Class News and Notes

Ellen will send out an email requesting news in late October as she does not have anything for the next columns. Linda suggested following up on recent Facebook posts as an additional source for news.

Class Giving

Louise summarized class donations for the 2018-19 fiscal year. A total of \$297,000 was donated or pledged by 45.9% of the class during the year with 27 able to give at the Durant level. These were good numbers although Louise would still like to make a 50% donor level.

Louise has a new liaison at the College. She also noted that the College is switching to a new online giving system so some of the reporting features are changing. Louise is looking to send personal letters to those individuals who would benefit from direct contact with her.

Reunion 2021

Linda will check with the College on the timing for recruiting reunion volunteers and new officers before our next meeting in January. In the meantime, if anyone has any suggestions, please send them along to her.
