January 14, 2020

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2018-19 educational progress for the Jefferson Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Crystal Eskin, principal, for assistance.

The AER is available for you to review electronically by visiting the following web site <http://bit.ly/2uvMeuG> , or you may review a copy in the main office at your child's school.

For the 2018-19 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

The key challenges for Jefferson Elementary School are in closing achievement gaps for students as they progress through the upper elementary grades. Our academic achievement scores on both MSTEP (state assessment) and NWEA MAP (local assessment) indicate that student proficiency decreases as students move from 3<sup>rd</sup> grade to 5<sup>th</sup> grade in both ELA and Mathematics, although the decrease is more significant in mathematics. While scores remain above state and district averages in many areas, our goal is academic proficiency for all students. To achieve that goal, teacher teams work in collaboration with one another through the Professional Learning Community (PLC) process. Teachers have developed a Guaranteed and Viable curriculum in both ELA and Mathematics and are currently working to align curriculum resources and develop common formative assessments to measure student progress and respond with interventions in a timely manner. School resources are dedicated to providing small group interventions in flexible groupings in a

**639 Oak Street • Wyandotte, Michigan • 48192 • 734.759.5000 • FAX 734.759.6009 • [www.wyandotte.org](http://www.wyandotte.org)**

It is the policy of the Wyandotte Board of Education that no person shall, on the basis of race, color, religion, national origin or ancestry, sex, age, disability, height, weight, or marital status be excluded from participation in, be denied the benefits of, or be subjected to discrimination with respect to any educational program, activity, or employment.

timely manner based upon student performance in relationship to the Guaranteed and Viable curriculum. In addition to the PLC process, we have added a literacy coach to our staff who has been instrumental in providing “just right” literacy interventions for students who are behind their grade level peers. The literacy coach is also supporting our Tier 1 literacy instruction to improve academic achievement for all students.

State law requires that we also report additional information.

1. Student Assignment: Students in Grades K-5 residing in the City of Wyandotte are assigned to their resident school using geographic boundaries. Parents may also apply for Limited Open Enrollment, which would allow their student to be considered for another school in Wyandotte based on availability. Nonresident Open Enrollment (School of Choice) students are assigned to schools based on enrollment availability.
2. School Improvement Plan: Jefferson Elementary School follows a current School Improvement Plan filed with the State of Michigan Department of Education. Our school has met all of the requirements of a Title I school-wide school. Our academic goals are to improve reading and mathematics. Our organizational plan is to improve school culture. Our school improvement plan is updated annually with input from school stakeholders.
3. Specialized Schools: Jefferson Elementary does not include any specialized schools.
4. Curriculum: Jefferson Elementary, along with all Wyandotte Schools, has adopted the Common Core State Standards as its curriculum. Through PLC work, our teachers have developed a Guaranteed and Viable curriculum for ELA and Mathematics. The CCSS can be found online at [www.corestandards.org](http://www.corestandards.org). A copy of our Guaranteed and Viable curriculum can be obtained through the school office.
5. Assessment Results: NAEP achievement results are not available for Jefferson Elementary. Our local assessment is NWEA MAP. In 2017-2018, 87% of students met their academic growth goals in both reading and mathematics. In 2018-2019, 89% of students met their academic growth goals in both reading and mathematics. Our MTSS process, as well as the PLC process is helping to address achievement gaps and increase student achievement at all levels.
6. Parent Involvement: In the 2017-2018 school year, approximately 80% of parents attended parent-teacher conferences. In the 2018-2019 school year, approximately 83% of parents attended parent-teacher conferences.

The staff of Jefferson Elementary School believes that the key to success is collaboration in working toward a shared vision of student achievement. The vision of our school and district is strong and Jefferson Elementary School is committed to making continuous improvement through the PLC process. I congratulate the stakeholders of Jefferson Elementary School on the progress made thus far and encourage our school community to continue to collaborate, set goals, and achieve success together as a team.

Sincerely,

Crystal Eskin, Principal  
Jefferson Elementary School  
1515 15<sup>th</sup> Street  
Wyandotte, MI 48192

	Reading	83.3	2.41	91	3.97

*The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.*
