Meeting Minutes

1. Went through the Growth and Proficiency schools of Parkside Elementary school
  - a. Head to [utahdatagateway.com](http://utahdatagateway.com) to get Parkside's school report
2. Parkside's Growth Category
  - a. Scored above district and state levels in math, literature, and science
3. Parkside's Proficiency Category
  - a. Scored above district and state levels in math, literature, and science
4. ESL student progress
  - a. Scored 33%; which is a little lower than District at 43% and State at 44%
5. Overall Parkside scored very well across the board and as a council we will be looking to keep the STEM programs and tutoring in place as that will continue to help in both growth and proficiency. We will also look to see what we can do to further aid our ESL students.
