

High School Approaches to Learning

	In this class...	Rarely	Inconsistently	Consistently
Self Motivated Learning	I reflect and use feedback from peers and teachers to improve my learning.			
	I have an intellectual curiosity and desire to extend my learning.			
	I persevere when presented with challenges.			
	I demonstrate initiative and independence.			
	I advocate for my own learning.			
	I manage time well and meet deadlines with my formative work and summative tasks.			
Collaboration	I make connections and build upon others' ideas to generate new and unique insights.			
	I use interpersonal skills to learn and respectfully engage with individuals with different perspectives.			
	I accept and fulfill my roles within groups.			
Respect & Responsibility	I demonstrate respectful behavior that contributes to a positive classroom and school environment.			
	I use class resources, equipment and technology in an appropriate and respectful manner.			
	I demonstrate integrity and accept responsibility for my personal decisions and actions.			
	I am prepared for class with the appropriate materials.
