

PLACES PLEASE!

THE GLMS IS PUTTING ON A SHOW!

As some of you may have heard, we are going to produce a musical in the spring at the Gull Lake Middle School. We came in last week to talk to students to gauge interest and we signed up almost 50 students who were interested in participating, either onstage or in some other capacity!

Rehearsals will be after school and we will be putting on the production **Schoolhouse Rock Live Jr.** Shelley Fulling, a GLMS teacher, and Laura Zervic, a parent volunteer, will be the parent coordinators for this production. As you can appreciate, this will be a new undertaking for us and will require support from parents. The immediate needs that we have are for a piano accompanist and for a technical director. If you have, or someone you know has, these skills and may be interested, please have them contact Laura Zervic at GLMSTheater@gmail.com. (Please note all adult volunteers will need to consent to the district's Volunteer Background Check. Forms can be found on the Gull Lake website, under Parents/District Forms).

If you would like to receive more information about the production, relevant dates as they approach and volunteer opportunities, please send an email to GLMSTheater@gmail.com to be added to the distribution list.
