# VISUAL IDENTITY SYSTEM

# VISUAL IDENTITY SYSTEM

---

An important part of communicating Cathedral's brand is in the consistent use of its various visual identities (logos). These have been designed to work together as part of an overall visual branding system that provide both a distinctive identity for specific uses and also work as a "family" of symbols for Cathedral High School. All of these identities are available in various sizes and file types. Never attempt to re-create any of the identities or reproduce in colors other than the ones indicated.

This identity system updates logos that have been in use at Cathedral High School for years. Each of these identities now has been refreshed and redesigned to work together as a complete system and provide instant and consistent recognition for a specific role and function within the school. Many schools and universities have a similar system of logos. The University of Notre Dame example shows how it uses different symbols to differentiate various activities and functions much as the Cathedral High School identity system does.

## Official

**The Official Crest**—for official school correspondence, president and principal letters, and board communications.

## Academic

**The Celtic Cross**—the logo for all academic and marketing communications from Cathedral. It may be used either as a Wordmark (preferred application) or as the Circle Cross, where the horizontal Workmark is not as easily used such as on uniform shirts or signage.

## Activity

**The Block "C"**—for sports, club, and school activities

*Note: See additional logos for specific events, and special groups, (page 24)*

---

## The Official Crest

The official crest of Cathedral High School is used for official correspondence and high-level communications by school administration and the board of trustees. It is never used in marketing or advertising material or for informal types of communication. The crest may be used as:

3 - color: Black, PMS 281 & 871

Black or Blue

### Meaning:

The Cathedral crest is adapted from "the shield of Bishop Chartrand." The elements of the crest in classic heraldry show the bishop's mitre which symbolizes authority, the cross which is Christ, and the shepherd's crook for faithfulness. The colors of the crest, which are also our school colors, have meaning as well. Blue means truth and loyalty; gold is for elevation of the mind. The ship symbolizes the voyage we are all on together and how we are guided by the star, the Blessed Mary, sometimes called the Morning Star or Star of the Sea. Together, all the elements symbolize the school's motto:

***Ipsa Duce Non Fatigaris***, that is, "With her (The Blessed Virgin Mary) leading we shall not tire."

# VISUAL IDENTITY SYSTEM

---

## The Celtic Cross/The Wordmark

The Wordmark is the preferred logo for most applications. It is available in several variations:

2-color: PMS 281 & 871

Black or Blue

### Meaning:

The Wordmark emphasizes the name of the school while also conveying the spiritual aspect of Cathedral by incorporating the Celtic Cross. Use of the Wordmark with the taglines allows for emphasizing either our brand position (Lifelong Connections) or our philosophy and history (Living Holy Cross Values since 1918). The use of any of these Wordmarks is dependent upon the nature of the medium used and the objective of the communication.

The Holy Cross identity in the Wordmark with Living Holy Cross Values shows Cathedral's affiliation with the Brothers of Holy Cross. This Christian symbol of hope is taken from the seal of the Congregation of Holy Cross. The double anchors and the cross illustrate the Congregation's motto, *Crux Spec Unica*: The Cross is our only hope.

# VISUAL IDENTITY SYSTEM

---

## The Celtic Cross/Circle

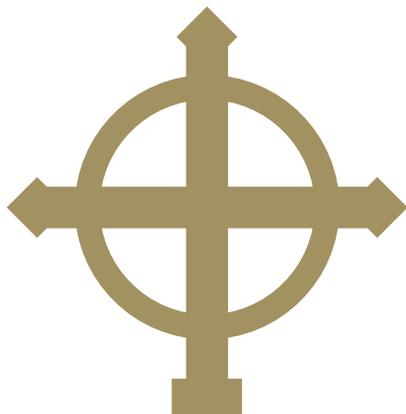

The Celtic Cross logo is used in place of the Wordmark when a horizontal application cannot be used. It incorporates the Celtic Cross symbol from the Wordmark, but with less emphasis on the name of the school. Because the words, Cathedral High School, are in smaller, arched type, it must be used carefully as it may be difficult to read at certain sizes. In general, the Celtic Cross logo should never be reproduced at less than .75 inches tall. If it must be used in an application smaller than .75 inches, use the Celtic Cross without the type.

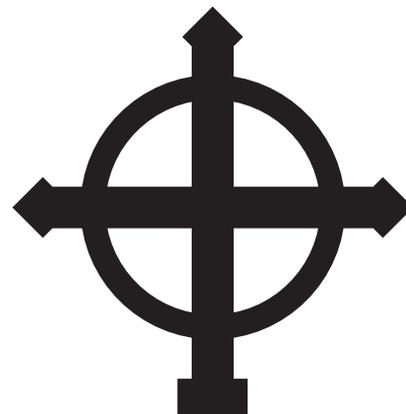

3-Color: PMS 281, 871 & 356

Black or Blue

1-Color: PMS 871

Black or Blue

### Meaning:

The Celtic Cross is symbolic of Cathedral's "Irish" traditions and associations. It shows the cross of Christ superimposed upon a circle, representing eternity and God's endless love. The arrows at the three points of the cross symbolize how our Cathedral Connection moves outward to our community and our world; the base of the cross shows that Cathedral provides a solid foundation of faith to our students.

# VISUAL IDENTITY SYSTEM

---

## The Block "C"

The Block "C" logo is the spirit logo used by sports teams, clubs, and association at Cathedral High School. Unlike the Official Crest, the Wordmark, and the Celtic Cross, the Block "C" may be modified with the addition of other symbols in place of the shamrock. The following Block "C" identities are available for use:

3-color: PMS 281, 871 & 356

Black or Blue

### Meaning:

The Block "C" is the traditional "letter sweater" symbol that traditionally denotes club and sport activities at college preparatory schools. Incorporating the shamrock makes this uniquely Cathedral's.

# VISUAL IDENTITY SYSTEM

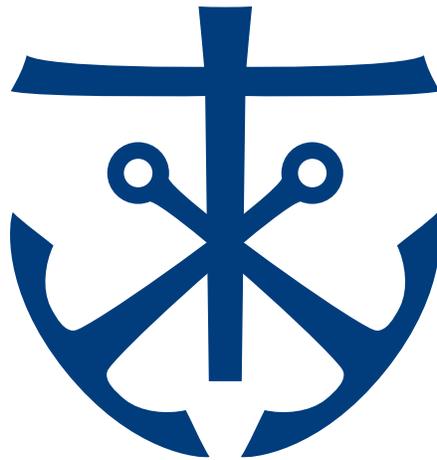

---

## The Holy Cross Identity

Cathedral High School is affiliated with the Congregation of Holy Cross and the Brothers of Holy Cross. The school may use the Holy Cross logo where appropriate and in the following manner:

The Holy Cross logo should always be used with either the Official Crest or the Cathedral Celtic Cross. It is never used alone in any Cathedral materials.

When used in conjunction with either the Official Crest or the Cathedral Celtic Cross, the Holy Cross logo is smaller and not used as part of the school logo. The Holy Cross logo should be used with the words, "Living Holy Cross Values since 1918."

### Meaning:

This Christian symbol for hope is taken from the seal of Congregation of Holy Cross. The double anchor and the cross illustrate the Congregation's motto, *Crux Spes Unica*: The Cross is our only hope. It is taken from *Vexilla Regis Prodeunt*, an ancient liturgical hymn sung at vespers on feasts celebrating the cross and during Passiontide.

# VISUAL IDENTITY SYSTEM

---

## Additional Logos

Specific groups and events have existing logos which are used only for their purposes. These include:

Cathedral Irish Alumni

Cathedral Mothers' Club

Cathedral Family Circle

Shamrauction

Camp Cathedral

## The Fighting Irish Leprechaun

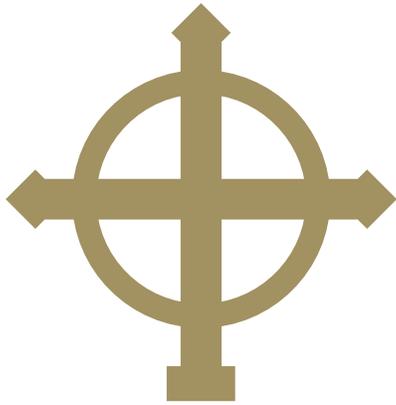

Do not use "The Notre Dame leprechaun" character as this would violate Notre Dame's trademark rights and subject the school to fines. Only uses of the leprechaun that were created prior to 2007 such as the gym floor, softball dugout, and practice field are allowable.

## DESCRIPTOR LINES

# DESCRIPTOR LINES

---

## Using Cathedral's Brand Positioning Statement

Cathedral's brand positioning, Lifelong Connections, should be used in the following manner when not part of the Cathedral Wordmark.

When used as a graphic element (not in text), use all uppercase in Fruitger Bold typeface along with the servicemark:

**L I F E L O N G   C O N N E C T I O N S <sup>SM</sup>**

When it appears in text as a positioning statement, use with initial capital letters, with Lifelong as one word, and include the service mark on first mention. Example:

**Cathedral's tagline, Lifelong Connections<sup>SM</sup>, means that students create lasting bonds with classmates, staff, and faculty.**

If the phrase is used as just a part of a sentence and not as a positioning statement, do not capitalize. Example:

**Students say they have made lifelong connections at Cathedral.**

## Using Cathedral's Descriptor Lines

The descriptor lines can be used to describe Cathedral High School in text or in communications materials:

**Cathedral High School, a Catholic preparatory high school living Holy Cross values since 1918.**

When referring to the school's affiliation with the Brothers of Holy Cross, the shorter descriptor line may be used:

**Living Holy Cross values since 1918.**
