

CHARGING FORWARD

THE 2013-2018 PROVIDENCE DAY SCHOOL CAMPAIGN

“I BELIEVE the spirit and culture of Providence Day inspires us to give what we are able to. We cannot be passive about giving. If we want ALL children at Providence Day to have opportunities, then we must create them.”

—Monique Allen,
Member, Board of Trustees
Parent of Austin '18 and Justin '22

As we celebrate the incredibly successful conclusion of the five-year, \$27 million Charging Forward comprehensive campaign, the community's enthusiastic philanthropic response was overwhelming, gratifying, humbling and exciting.

At the start of the campaign, we understood that serving as true stewards of Providence Day meant we must focus not on our own future, but a future four or five generations from now. That vision was used to fuel our hopes and dreams for this ambitious initiative.

Together, we achieved remarkable and historic milestones that will leave a lasting legacy on our campus, faculty, staff, and most important, our students. The deep passion this community has for Providence Day is an abiding strength — one that we value and cherish.

Thank you for all you have done in support of our Charger community.

Sincerely,

Dr. Glyn Cowlshaw
Head of School

CAPITAL GENTS

The caring, commitment, and spirit of our Charger family is so inspiring and is a culture without compare! What several years ago was a dream has become a reality thanks to extraordinary generosity by our families and friends, and to awesome work by the campaign team. I'm especially thrilled that 100% of our faculty, staff, and administration contributed to Charging Forward, a rarity and part of what makes this accomplishment truly special.

In the world of education, nothing could be better than to see our endowment and annual giving grow, to see our beautiful campus, and to see the tangible examples of love and caring in the naming of spaces where our students and teachers learn together. You only need to come on campus and look around to see the power of what we're able to accomplish together as a Providence Day School family. In particular, the capital campaign has resulted in the four-story Academic Center housing 32 learning labs, faculty hubs, flexible learning space, and more; the two-story DeMayo Gateway Center, housing both Admissions and College Guidance; and the split-level parking deck bringing 200 more parking spaces to campus.

I have always been proud to be a Charger and never more so than with this fantastic Charging Forward campaign. It has been an honor to serve as your National Campaign Chair. We are ONE Charger family that supports each other in every way.

Congratulations and thank you to all.

“We have literally changed the face of our campus through this campaign’s capital giving, with tangible results that every student, faculty and staff member, parent, alum, supporter, and visitor can see and experience. We can feel the impact on our teaching and learning as well as our safety and security.”

A group of students are gathered around a table, working on a project. One student in the foreground is wearing a dark hoodie with an NFL logo. Another student is wearing a white shirt and a blue tie. The table is covered with papers, sticky notes, and a calculator. The background shows other students and a whiteboard. The entire image has a warm, orange-toned overlay.

“THE COMMUNITY MUST

support itself...no one's going to give to Providence Day except for Providence Day people. But you'll never regret it. You'll be proud of it, especially when you see the results in your children, and hopefully your grandchildren.”

—Scott Gorelick,
Parent of Maddie '16, Elyssa '11, and Zachary

DECEMBER 2016

School community signs their names on a 25-foot beam that is permanently installed in the Academic Center. More than \$22 million in commitments secured from the community.

FEBRUARY 2017

School's endowment surpasses \$11 million.

MAY 2017

PD announces Half-Million Dollar Inspiration Challenge.

ENDOWMENT GIFTS

The background of the image is a blurred photograph of laboratory glassware. It includes several graduated cylinders of different sizes, some containing liquids, and test tubes held in green plastic test tube holders. The lighting is warm, creating a soft, out-of-focus effect that emphasizes the text in the foreground.

DECEMBER 2017

Ribbon cutting ceremony held to officially open Academic Center, DeMayo Gateway Center and parking deck.

Throughout the Charging Forward campaign, we told you that supporting the endowment is a direct step toward securing the legacy of Providence Day School for future generations of students and faculty — and you answered. The school's endowment more than doubled, from \$5.4 million in 2012 to \$13.6 million at the conclusion of this campaign.

The school enjoys a strong and stable financial position, and fiscal sustainability will continue to remain a priority alongside continued growth of the school's Annual Fund. A healthy endowment allows Providence Day to plan for the future, along with maintaining the ability to address any unforeseen issues that might arise.

Many of you engaged in naming opportunities as well as planned giving programs as additional ways to invest in the long-term financial health and well-being of the school.

We thank you for all you have done, and continue to do, to ensure that Providence Day's impact endures for our children and grandchildren.

JANUARY 2018

“We are so pleased with the broad support we received toward our goal of securing continued fiscal sustainability for generations to come via our endowment.”

Inaugural Downing/Williams Endowed Chair of Teaching Excellence Named

First-grade teacher Susanne Reid has been named the inaugural recipient of the newly created Downing/Williams Endowed Chair of Teaching Excellence. She will hold the honor for the 2019-20 academic year.

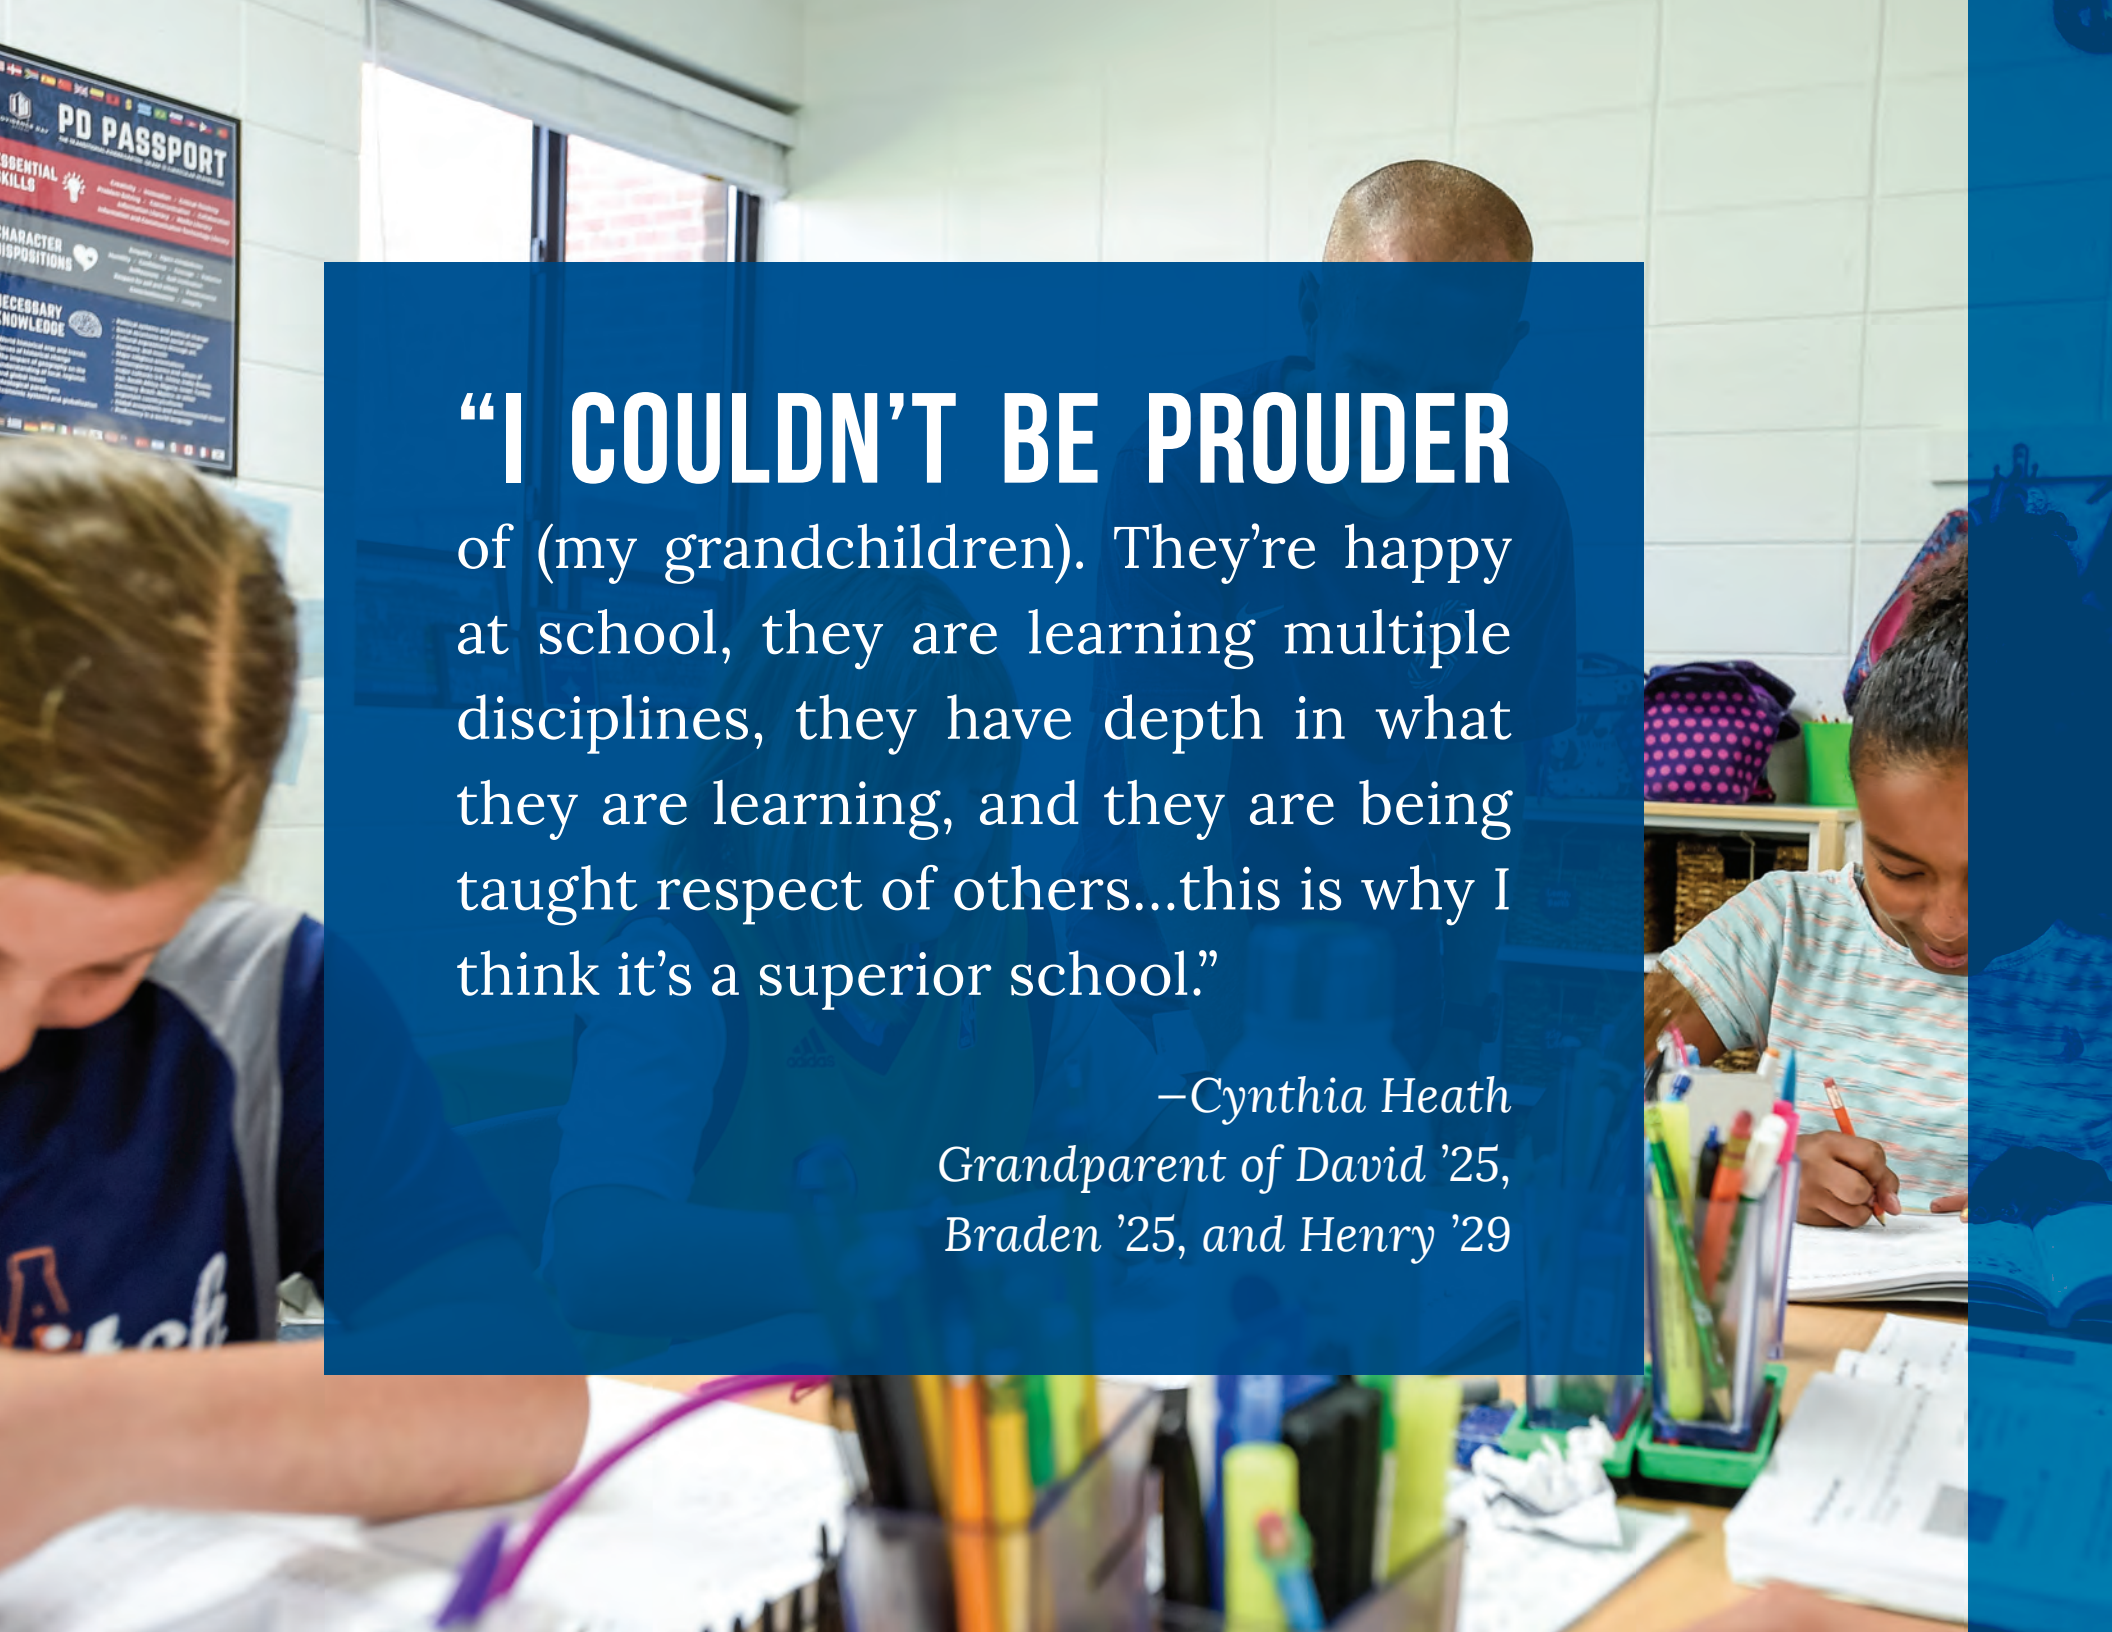

“She has laid the foundation for our youngest Chargers during her 17 years here at PD,” says Head of School Dr. Glyn Cowlshaw, who announced the award during the Commencement ceremony for the Class of 2019 in May.

Her teaching and academic accomplishments include training in Responsive Classroom, Love & Logic, and Orton-Gillingham; serving on numerous accreditation committees; earning her Global Educator’s Certificate with travels to Honduras and Turkey; serving as a Teaching Fellow; and earning a previous Teacher of the Year honor.

The Downing/Williams Endowed Chair of Teaching Excellence was established in 2018, as part of the Charging Forward campaign, with the philanthropic support of Nancy and Bruce Downing — parents of Yates ’12, Charlotte ’14, Tommy ’17, and Michael ’19. After 20 years in the school, they said they wanted to designate a special honor for faculty with their gift. “Our family benefited so much from these faculty members,” says Nancy Downing. “Not just by helping (our children) in the classroom, but by shaping them into the people they are now.”

Endowed Chairs are synonymous with exceptional faculty and teaching excellence. The chair is awarded to a full-time faculty member who will hold this high distinction for one academic year. The recipient receives a stipend of \$7,500 and a professional development award of \$3,500.

“It elevates a school,” says Downing. “That’s where we need to be, and that’s where we deserve to be.”

“I COULDN’T BE PROUDER
of (my grandchildren). They’re happy
at school, they are learning multiple
disciplines, they have depth in what
they are learning, and they are being
taught respect of others...this is why I
think it’s a superior school.”

Grandparent of David '25,
Braden '25, and Henry '29

JANUARY 2018

Campaign surpasses
\$25 million in
commitments from the
Charger community.

APRIL 2018

ANNUAL FUND

SPRING 2018

PD receives fourth
\$1 million commitment.

Our Annual Fund success shows that our Providence Day community believes in the school's mission to enhance teaching and learning opportunities and inspire our students to succeed.

The Annual Fund is Providence Day's largest yearly fundraiser, so the Charging Forward campaign strategically included Annual Fund contributions made during its span. Annual Fund dollars directly impact teaching and learning every day by helping to provide professional development opportunities for teachers, classroom resources, and technology along with other essential components of a PD educational experience.

As is the case in most independent schools, tuition does not fully cover the cost of providing the kind of educational experience students receive at PD. The Annual Fund helps to bridge that gap at Providence Day. Gifts to the Annual Fund provide immediate, unrestricted support of the school's operating budget.

The tradition of philanthropy at PD can be clearly seen in the response we receive from our faculty, staff, parents, alumni, grandparents, and parents of alumni. We are thankful for the enthusiastic support we have received from all facets of our community, and we look forward to carrying on this tradition in the years to come.

A group of young girls are sitting in an audience, likely at a school event or performance. They are all smiling and looking towards the left side of the frame. The girl in the foreground is wearing a pink and white floral dress and a pink headband. The girl next to her is wearing a grey hoodie and red leggings. The girl in the background is wearing a light blue shirt and red leggings. The text "Thank You!" is overlaid on the right side of the image in a large, white, serif font.

*Thank
You!*

*Get ready
for the 50th!*

Preparations are underway to celebrate Providence Day School's 50th anniversary in September 2020. Focus groups have been held to refine ideas for events, celebrations, and tributes, involving PD's entire community. Watch for a logo and a year-long countdown to begin this fall, as we **"honor the past, celebrate the present, build the future."**

We welcome your ideas on how we can celebrate the school's history and traditions. Please share your feedback at **PD50th@providenceday.org**.
