

# ACT Prep Class Registration Form

We are excited to offer an ACT Prep course for SLPHS juniors this spring. During the school day on Tuesday, March 24<sup>th</sup>, 2020, all juniors will be allowed to take the ACT+ Writing free of charge at SLPHS. The ACT +Writing Prep course will provide a beneficial, engaging, and productive review that will better students' ACT scores and deepen their understanding of test content and structure. A high ACT score can open the doors to more post-secondary opportunities.

**Targets:** The goal of the course is to increase understanding and raise ACT scores. The students receive 26 hours of instruction in the 5 areas of the ACT test: English, writing, mathematics, reading, and science reasoning.

**Participating students:** This course is open to the first 100 Spring Lake Park juniors who register. The students are assessed a \$80 fee for taking this course. Registration is open from Wednesday, January 15<sup>th</sup> until Monday, February 3<sup>rd</sup>. Students on free and reduced lunch pay \$40.

**Timeline:** The course meets on 4 Saturdays: February 22, February 29, March 7 (note: first Saturday of Spring break), and March 21 from 9 am to 1 pm. The course also meets on 5 Wednesdays: February 12, February 19, February 26, March 4, and March 18 from 6 pm – 8 pm. Students are expected, but not required, to attend all sessions.

**Curriculum:** We will use a variety of teacher – created, free online, and publicly available resources. Students are given assignments to complete in and outside of class.

**Instructors:** Tom Young (Math 763-600-5230), Kathleen Stalnaker/Jennifer Haviland (English), Brenna Bloome/Theresa Holland (Science)

**Class Structure:** The 100 students are divided into 4 groups of 25 and rotated during the class times. The schedule is as follows:

**Nuts and Bolts:** Newly created teacher resources remain the property of the creating teacher. Teachers may not be videotaped or audio-taped during the course. Students who miss class will be given materials, but no make-up class will be offered for a missed session. 100 students are necessary for this course to move forward. Tell your friends! If fewer than 100 students register, the instructors will reevaluate the viability of the course.
