

HOST AN INTERN

During the school year the Rios Spanish Immersion program plays host to cultural interns from Spanish speaking countries at Jefferson Elementary and Winona Middle School. This intern program depends on families to host these international visitors.

Do you have a spare room in your house?

Would you like to learn about another culture/language?

We are looking for homestays that could last 3-5 months.

No need to be a district family, anyone in the community can host.

If your family is interested fill out the following form:

<https://forms.gle/H9m9SVfgTdLaf18w6>

Have a question? Feel free to contact
