

2018-2019

ANNUAL SUMMARY

FROM THE PRESIDENT

It is with great honor that I share with you a summary of our achievements for the 2018-2019 year. The foundation completed another successful year strengthening our existing programs while expanding funding to include enrichment experiences for students.

Due to the generosity of our donors, we launched our first annual campaign, "Golden Giving", which will become the foundation of support that will sustain us for generations.

On behalf of the Board of Directors, thank you for your continued support of our foundation and its mission. Because of your generosity, we continue to support excellent educational opportunities at Carrollton City Schools, creating a prosperous community of students who will one day change the world.

FOUNDATION LAUNCHES *Golden* GIVING

Carrollton City Schools families and supporters have a golden opportunity to support the school district in a way that has never been pursued before through the launch of the Golden Giving Campaign. The campaign is an Annual Fund effort to grow the foundation's general endowment that supports a variety of initiatives to promote student success, such as instructional grants for teachers, other programs not supported through state or local funding, and a new enrichment initiative that currently provides more field trip experiences for students with a long-term goal to support potential study abroad opportunities in the future. Families can support the campaign by enrolling to give a monthly recurring donation for as little as \$10 per month. To learn more, visit www.cfwg.net/ccs/.

AND MORE...

The foundation celebrated its first Enrichment Experience for students funding a trip for second grade to see the Atlanta symphony. Additionally, the foundation awarded grants for the CCS Stream Restoration Project, Kid's First Fund and System Teacher of the Year. The foundation also managed the \$1.5MM Pope-McGinnis Student Activity Center Capital Campaign project which opened in August.
