2020-2021 Financial Aid Application Parent Statement of Need School Code 2446

Mt. Bethel Christian Academy offers financial assistance to all enrolled or accepted students whose families apply and demonstrate financial need, as assessed through an independent third party program, School and Student Service for Financial Aid (SSS). Once parents complete the online application, Parent Statement of Need and provide your family's 1040 tax document, the school's financial aid committee will review the application materials and communicate grant amounts in writing. Priority will be given to applications completed by the deadline of March 1, 2020. Applications received after this date will be considered as long as funds remain available. All financial aid application information and award decisions are strictly confidential. To request financial assistance for the 2020-2021 school year, follow these three steps:

- Complete the SSS Application online at: <https://www.solutionsbysss.com/parents/>. When prompted, **our school code is 2446.**
- Complete this Parent Statement of Need
- Complete your 2019 taxes and have your 1040 form available.
