## Information that needs your attention

- We are missing several of our **volunteer badges and lanyards**. Will you please check at home and in your car to see if you might have taken one by accident, and return it to the office? Thank you.
- Our school is organizing a service project, and we need everyone's participation! Please see page 2 and 3 of this newsletters for all of the information.
- Thank you to the parents who have been helping us with the lunch room! It's off to a great start, and we appreciate your time and dedication. We are in need of more volunteers who can assist in the lunch room with monitoring students and wiping down tables from 11:30am-12:30pm each day. We have a blue folder in the front office labeled **Parents at Lunch**; you can sign up there or you can call the office and we would be happy to add you to the calendar.

## Yearbook Price Increase

The yearbook is still \$15 through February and can be purchased through your myDSD login. **The yearbook price will increase to \$20 in March and will have to be purchased through the yearbook website then, so don't wait, GET YOURS NOW!**

## Hoop Shoot Winner

Adelaide Stevenson (6<sup>th</sup> grade) won **FIRST PLACE** in the Hoop Competition in Tooele. She will move on to the next phase which will take place in Provo in February. Way to Adelaide! Congratulations on the win and what a way to represent Oak Hills and show off your shooting skills!

## Pantry Packs

The Bountiful Food Pantry has this program to provide food for our most at-risk children with food over the weekend when they are at increased risk of going hungry. They work closely with the Davis School District and individual schools.

The Pantry provides Pantry Packs for more than 2,500 students EVERY week throughout Davis School District.

The packs are 3lb bags of child-friendly supplemental food provided to students every Friday. The pack includes two breakfasts, two lunches and several snacks (pictured below).

Each class has been assigned a **specific** item to help us make as many Pantry Packs as possible.
