Secondary \$2.00

### Lunch Prices:

Elementary \$2.90

Secondary \$3.25-\$3.50

January

We have a new Lunch Line in the Cafeteria! Every Tuesday and Thursday our Executive Chef, Jason, will be there cooking made to order meals! The line is called "So Deli" and behind the counter we have a flat top griddle cooking up fresh food just for you. So stop by and have Chef Jason make you a personalized meal!

Junior High and High School Students: do you need to stay after school for sports or clubs? Stop by and grab something to eat from our serving window! We offer a variety of foods, snacks, and drinks. Our serving window stays open until 3:00.

Food Service also has some exciting news to share in regards to breakfast. A grant was obtained through United Way and the Better with Breakfast program which has provided North Sashabaw Elementary with equipment to start providing Breakfast in the Classroom. Currently the Fifth Grade is enjoying breakfast in their classroom and we look to add more grades as the year goes by. Since adding 5<sup>th</sup> grade, participation has increase by 14%! We are excited to reach more students with our healthy breakfasts.
