Chief Operations Officer Cheryl Northam introduced Facilities Manager Tracy Grauf, who presented the proposed bid from the Beresford Company to replace the multi-purpose room flooring at Fremont Middle School. Our Board must approve individual bids in excess of \$35,000 and this proposal utilizes the King County Directors' Association pricing agreement. Tracy noted that the existing flooring was installed approximately 35 years ago and has exceeded its expected life span. The recommended replacement rubber

Mondo Advance Sports Flooring is highly regarded for its wearability and sustainability, along with the added benefit of its cushioning effect for athletic activities.

Following discussion, the Board approved the recommendation to purchase and install the new cafeteria floor at Fremont Middle School in the bid amount of \$113,130.00 to include removal of the existing floor and installation of the replacement flooring over winter break.

A proposed Memorandum of Understanding between the District and the Oregon School Employees Association (OSEA) Chapter 21 concerning classified staff contracting for extra duty assignments was approved by the Board.
