Link Leaders are juniors and seniors who are good role models for younger students and who have been successful at Edison. Potential leaders are compassionate, committed, reliable, and enthusiastic people with school spirit. Link Leaders have a tremendous influence on new students and gain many valuable leadership skills while having fun in the process. Link Crew is an elective course that will be part of your schedule if you are chosen. You must enroll in either Link Crew I or, if you were a Link Leader this year, Link Crew II.

We are looking for a diverse group of caring and dedicated individuals who represent the wide variety in our student population to serve as mentors to the incoming freshmen. If your application is selected, you will be called in for an interview with Mrs. Griffin.

Please list the names of 2 current Edison faculty members who would be willing to serve as references for you. They will receive a Faculty Recommendation form and will return it directly to Mrs. Griffin.
