FROM THE CHAIRMAN OF THE BOARD OF TRUSTEES

This past year has seen meaningful progress on a number of important fronts. IC continues to provide strong and state of the art academics and

has made considerable headway in improving our physical plant. On the Ras Beirut Campus, the new middle school and pre-school buildings are scheduled for completion in December of this year. These improvements will complement our recently completed Phase One of the campus master plan that included elementary classrooms, a library, gymnasium, auditorium and play areas. At our Ain Aar Campus, we celebrated the opening of a new sports field that was generously funded by IC alum and Board of Trustees member, Anwar Al Mulla. More recently, construction permits are in the final stage of review by governmental agencies. This important project includes construction of an auditorium, gymnasium and underground parking.

The significant upgrades of our campuses will directly benefit over 3,500 current students, as well as, future generations. Additional phases of the physical plant improvements and campus master plan remain dependent on the donations of our friends, including alumni, parents and trustees.

Thank you for your continued support.

Don Selinger

FROM THE PRESIDENT

As I enter my fourth year as President of International College, I continue to be energized by both IC's progress and success in recent years, as well as, by the many challenges and opportunities that

lie ahead. As many of you know, once IC successfully negotiated the purchase of the current IC land and buildings, the Board of Trustees, looking to the future, embarked on an ambitious campus redevelopment and facility improvement plan. The Facility Master Plan included a series of phases, beginning with the Ras Beriut Elementary school, then construction of new middle and pre-school buildings (underway and scheduled for completion in February), and about to begin, construction of a gymnasium, auditorium and parking facility at IC's Air Aar campus in Metn. Future master plan phases include renovation of IC's historic Rockefeller and Sage Halls and the existing pre-school building. In the case of these historic buildings, the stately, traditional, exterior facades will be preserved, while the interior spaces will be completely renovated.

As exciting as the above projects are, it's what happens inside school buildings that represent the heart and soul of IC. The buildings may be keepers of memories, but the success of IC graduates is the result of what happens within classrooms and the interaction between students and their teachers. My vision of the

future of IC, is building upon the school's long standing reputation for academic excellence through a broader definition of success, including balance between traditional strengths in math and science and the humanities, fine and performing arts, and active community engagement programs. The vision includes greater emphasis on creativity, innovation, robotics, and authentic career internship experiences in upper middle and secondary school. I see an evolving collaborative STEAM (Science, Technology, Engineering, Arts, and Math) program, with greater access to advanced technology, hands-on design and application labs to put theory and knowledge into practice. Exciting stuff!

IC is proud of its history and the success of its students, both at home and abroad. There is no question that IC has served students well for more than 125 years. Yet it is the future, not the past, that is our challenge. This annual report summarizes the progress being made to ensure that the next century in IC's history is as successful as the past century. We are well on the way to the vision described above, thanks to the faithful support and generosity of IC alumni, parents, and Trustees.

Don Bergman

ABOUT OUR SCHOOL

International College is an independent, coeducational, secular, non-profit preparatory school serving a diverse population of more than 3,500 students in grades N-12. Students are enrolled at International College without regard to sex, race, religion, nationality or political affiliation. The IC community is led by caring professionals responsive to the needs of each and every child. The entrance and graduation requirements, the curriculum and selection of faculty are based on IC's stated philosophy and objectives.

OUR PHILOSOPHY

International College educates young men and women to be capable of initiative and critical thinking, who will serve as role models in a global society. The curriculum aims for excellence at all levels and embraces the education of the whole person. Graduates of IC will have developed self-discipline, problem-solving abilities, social responsibility, self-confidence, and awareness of, and respect for, the interdependence of nations in all their diversity.

OUR OBJECTIVES

The objective of International College is to provide a safe and secure environment where students develop personal qualities and skills leading to international mindedness, intellectual curiosity, effective communication, creative expression, compassion, community building, responsible citizenship, and an appreciation for cultural diversity.

IC curricula promote the development of the whole person in the following areas:

ACADEMICALLY

Through developing individual potential and an attitude of life-long learning as a result of a balanced and rigorous program in three languages that strives for excellence in the Lebanese, French, International Baccalaureates, and the College Preparatory Program.

ETHICALLY

Through the promotion of the values of integrity, service and respect for individual differences and for the environment.

SOCIALLY

Through intra- and extra-curricular activities that develop civic and global awareness, leadership, team spirit, and a commitment to social justice.

AESTHETICALLY

Through a diverse arts program that values creativity and celebrates cultures.

PHYSICALLY

Through a physical education and athletics program that values sportsmanship and healthy living.

PARTNERSHIP FOR EXCELLENCE CAMPAIGN SUMMARY

As of June 30, 2017, 60% of our target was completed thanks to the generosity of our alumni, parents, trustees, friends and corporations.

TARGET: \$110,000,000

(includes construction, facility improvements, scholarship funds, faculty development fund and other programs). No part of the tuition fee is being used towards the Campaign.

ANNUAL FUND

Every year, International College relies on the support of the Annual Fund from its alumni, parents, trustees and friends. As is the case with many independent schools, tuition fees at IC does not cover full operating costs. Programs which give IC that margin of excellence have to be funded elsewhere, namely through private contributions to the Annual Fund. The Annual Fund is made up of yearly gifts that go directly into the operating budget and are earmarked for school enhancements including financial aid, faculty development and student extracurricular programs.

USAID
FROM THE AMERICAN PEOPLE

International College (IC) extends its thanks and appreciation to the United States Agency for International Development (USAID) and American Schools and Hospitals Abroad (ASHA). ASHA's contributions helped IC develop the superior library, improve its security system, upgrade of science labs, in addition to the main IC server and provide new notebooks.

The IC family wholeheartedly thanks USAID - ASHA and the American people for their critical support throughout the years.

EXISTING ENDOWMENT

FUNDS

Gifts to the Endowment Funds create a principal that left intact will provide interest earnings on that principal. This interest provides capital for designated purposes such as scholarships, financial aid, special projects and ongoing support to the school. Donations may be made to any endowed fund in honor or in memory of a loved one or special person. A gift to an endowment fund is truly one gift that “keeps on giving”.
