## FROM THE CHAIRMAN OF THE BOARD OF TRUSTEES

On behalf of the Board of Trustees, I am delighted to report on the state of your Institution. As we enter our 125th year, we have many exciting plans for the continued expansion of our facility in the RAS Beirut Campus. In addition, new sports facilities are under construction in Ain Aar where we are also planning for significant expansion in the near future.

In spite of continued unrest in the region, IC continues to thrive while the size of our student body remains constant. Once again we have a great mix of teachers from Lebanon and overseas; our Faculty is truly one of our greatest strengths. The other most significant factor of success is our diverse student body which continues to excel year after year. We should all be proud of the quality of our faculty and students; this is what makes IC great. This November our Board will be meeting in Beirut, and we look forward to seeing many visitors to our campus at that time.

Finally, I want to thank the alumni, parents, trustees, and friends for your strong financial support which allows us to be the best school in the region.

William H. Turner

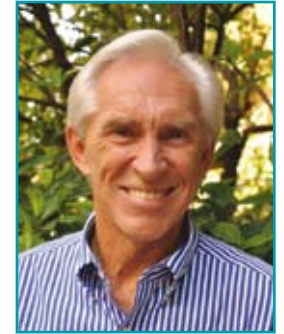

## FROM THE PRESIDENT

International College, words synonymous with academic excellence. International College, widely acknowledged as the premier elementary and secondary school throughout Lebanon and the Middle East.

International College, an experience that leaves a permanent imprint on the character and integrity of each student.

International College, developing leaders in business, medicine, finance, education, entrepreneurship, and social services for over one hundred years.

International College, a historical institution that has been referred to as a "National Treasure".

As International College embraces a second century of serving Lebanon's most valuable resource, educating the next generation of leaders, the school is committed to improving facilities commensurate with the quality of its academic programs, supporting students with financial need through scholarships and financial assistance, and offering continuous teacher training to stay abreast of best practices in the field of education.

The College's "Campaign for Excellence" supports all of the above and ensures that the legacy of those who have preceded us is carried into the future. The foresight, planning, and generosity of the IC community over the past 100 years has ensured that the IC will continue to serve as a lighthouse of optimism and opportunity.

On behalf of all past, current, and future students, who are members of the International College family, I extend a sincere thank you to all those who support IC and extend their love and generosity to the school.

Sincerely,

Don Bergman, Ed.D

## About Our School

International College is an independent, coeducational, secular, non-profit preparatory school serving a diverse population of more than 3,300 students in grades N-12. Students are enrolled at International College without regard to sex, race, religion, nationality or political affiliation. The IC community is led by caring professionals responsive to the needs of each and every child. The entrance and graduation requirements, the curriculum and selection of faculty are based on IC's stated philosophy and objectives.

## Our Philosophy

International College educates young men and women to be capable of initiative and critical thinking, who will serve as role models in a global society. The curriculum aims for excellence at all levels and embraces the education of the whole person. Graduates of IC will have developed self-discipline, problem-solving abilities, social responsibility, self-confidence, and awareness of, and respect for, the interdependence of nations in all their diversity.

## Our Objectives

The objective of International College is to provide a safe and secure environment where students develop personal qualities and skills leading to international mindedness, intellectual curiosity, effective communication, creative expression, compassion, community building, responsible citizenship, and an appreciation for cultural diversity.

IC curricula promote the development of the whole person in the following areas:

### Academically

Through developing individual potential and an attitude of life-long learning as a result of a balanced and rigorous program in three languages that strives for excellence in the Lebanese Baccalaureate, the French Baccalaureate, the College Preparatory Program and the International Baccalaureate.

### Ethically

Through the promotion of the values of integrity, service and respect for individual differences and for the environment.

### Socially

Through intra- and extra-curricular activities that develop civic and global awareness, leadership, team spirit, and a commitment to social justice.

### Aesthetically

Through a diverse arts program that values creativity and celebrates cultures.

### Physically

Through a physical education and athletics program that values sportsmanship and healthy living.

## FROM THE VICE PRESIDENT OF ALUMNI & DEVELOPMENT

Dear Alumni, Parents and Friends,

IC celebrates its 125th founding ceremony this year. The school has certainly grown since its humble beginnings in Turkey with only five students. Today, IC boasts 3500 students in both Ras Beirut and Ain Aar campuses.

We are also immensely proud of our LEED certified new Elementary School and looking forward to a new Preschool, Middle and Ain Aar facilities.

IC has, throughout its history, been largely depending on donations.

I can't thank our donors enough for believing in our school and supporting our mission.

And many thanks to our board members, alumni, parents, foundations and IC friends for their support and generous pledges for our continuing Partnership for Excellence Campaign and our financial aid and other programs.

For the latest news on our construction projects, visit our website at [www.icalumni.org](http://www.icalumni.org)

We are counting on your generosity to keep our Campaign successful. Please call or visit our alumni office if you are interested in naming opportunities in our new buildings and/or donations.

Best wishes,  
Moufid Beydoun '64

Future Preschool, Middle School & Cultural Center - Beirut

Future Gymnasium & Auditorium Building-Ain Aar

Future AlMulla Sports Field-Ain Aar

Every year, International College relies on support of the Annual Fund from its alumni, parents, trustees and friends. As is the case with many independent schools, tuition fees at IC cover less than 85% of the total operating costs. Programs which give IC that margin of excellence have to be funded elsewhere, namely through private contributions to the Annual Fund. The Annual Fund is made up of yearly gifts that go directly into the operating budget and are earmarked for school enhancements including financial aid, faculty development and student extracurricular programs.

### LEADERSHIP GIFTS

The IC community is grateful to the many alumni, parents, trustees and friends whose generous gifts to the Annual Fund continue to have such a direct, strong impact on IC's ability to fulfill its mission by educating a core of compassionate and self-reliant men and women capable of initiative and critical thinking. The names below reflect gifts received between July 1, 2014 and June 30, 2015.

### THE PATRON'S CLUB

Our top category of leadership giving acknowledges exceptional gifts of \$10,000 or more, gifts that allow International College to continue to pursue its objectives of promoting the development of the student academically, socially, aesthetically, physically and ethically, all aimed at acquiring personal qualities and skills in effective communication, creative expression, intellectual curiosity, critical thinking, self-discipline and self-confidence.

It is IC's mission to promote excellence and to celebrate diversity and community building. Established in 1999, the IC Scholars' Program is a three-year program offering full scholarships to outstanding secondary students as of the tenth grade level from all regions of Lebanon. The program aims to advance IC's mission of bringing quality educational opportunities to deserving students who cannot afford to pay IC's tuition fees. These students, from diverse backgrounds, bring a wealth of experience with them to IC.

Eighteen students are awarded the scholarship every year. The program includes full development and tuition fees, a textbook allowance, and the bus fare - within the Greater Beirut area - provided that candidate remains a student in good standing. IC Scholars go on to study at top universities in Lebanon and abroad.

**THIS YEAR WE WILL BE FOCUSING ON OUR ROLE AS PROFESSIONALS AND TAKING PRIDE IN THE IC SPIRIT WHICH PLACES LEARNING AT THE HEART OF WHAT WE DO: LEARNING TO REFLECT — ON WHO WE ARE, ON CITIZENSHIP, ON BEING HOPEFUL, ON BEING CONFIDENT - LEARNING TO GROW, LEARNING TO BE, LEARNING TO LEARN."**

**"WE HAVE STUDENTS WHO HAVE A COMBINATION OF CONFIDENCE, SKILLS, BELONGING AND MOTIVATION THAT SUPPORT THEIR SUCCESS. THAT WOULD NOT HAVE BEEN POSSIBLE WERE IT NOT FOR THE EFFORTS OF EACH ONE OF OUR TEACHERS— AT EVERY LEVEL - WHO PUT THEIR STUDENTS' WELL BEING AND PRODUCTIVE, SAFE LEARNING AT THE HEART OF WHAT THEY DO. WE APPLAUD THESE LEADERS OF THE HEART AND MIND: THE TEACHERS OF IC"**

**MISHKA MOJABBER MOURANI  
SENIOR VICE PRESIDENT**

IC Scholars 2015-2016

International College (IC) extends its thanks and appreciation to the United States Agency for International Development (USAID) and American Schools and Hospitals Abroad (ASHA). Their contributions helped IC develop the superior library, improve its security system, upgrade the main IC server and provide new notebooks. The IC family wholeheartedly thanks USAID - ASHA and the American people for their great support throughout the years.

Gifts to the Endowment Funds create a principal that left intact will provide interest earnings on that principal. This interest provides capital for designated purposes such as scholarships, financial aid, special projects and ongoing support to the school. Donations may be made to any endowed fund in honor or in memory of a loved one or special person. A gift to an endowment fund is truly one gift that “keeps on giving”.
