

WAIVING A COURSE REQUIREMENT IN MATHEMATICS BY TESTING OUT

INCLUDED:

- “Waiving a Mathematics Course Through Testing Out Parent/Student Information Sheet”
- A link to the “Waiving a Mathematics Course Through Testing Out Application Form.”
This form must be completed electronically by March 20, 2020.

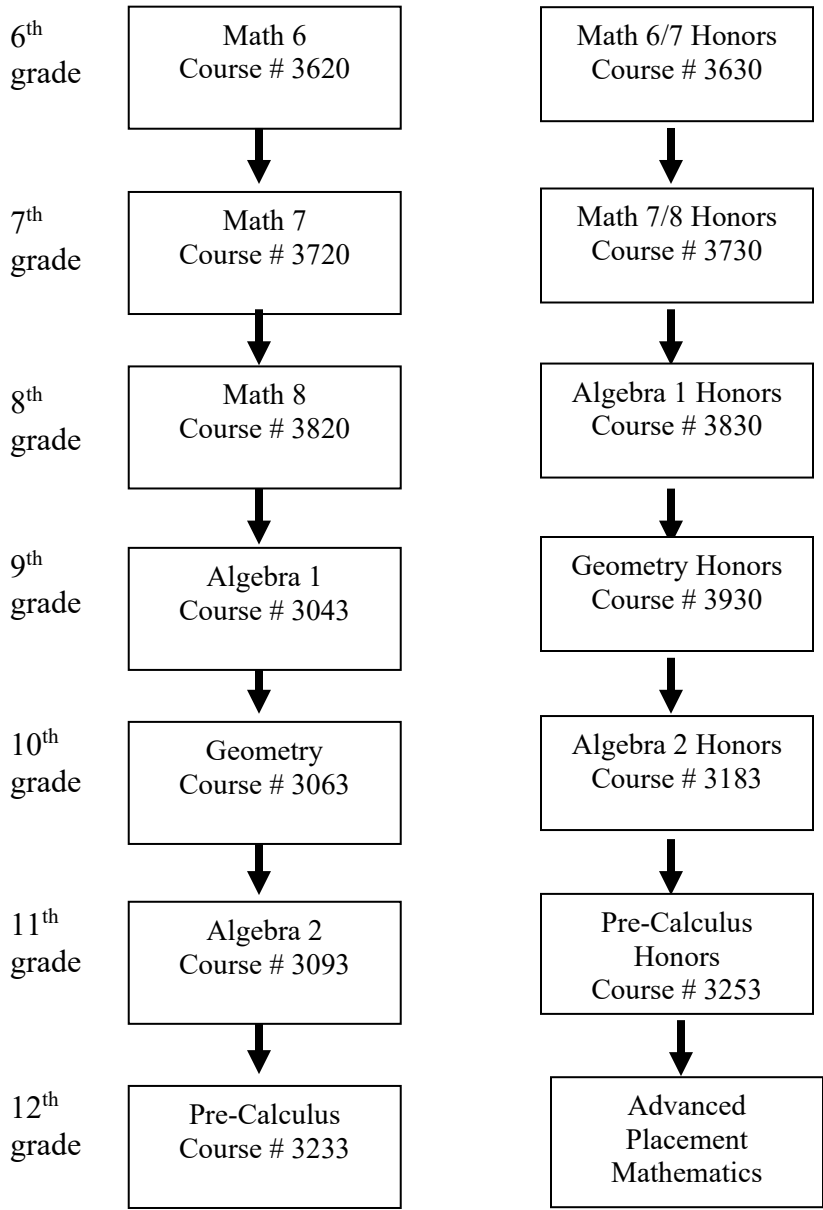

Math Test Out Date:
April 25, 2020 (Saturday)
8:00 AM – 12:00 PM
Troy High School
Gymnasium

**WAIVING A MATHEMATICS COURSE THROUGH TESTING OUT
PARENT/STUDENT INFORMATION SHEET**

1. Students will be tested on their knowledge of the course expectations specific to the Troy School District courses and expectations. To access the Math Test Out Materials, click [here](#).
2. Successful performance on the exam requires a **minimum score of 77% on BOTH the multiple choice and free response sections of the exam.**
3. Successful performance on the exam allows a student to be placed in the next level course.
4. Successful performance on the exam will be noted on the student's transcript. No record will be seen on the transcript if the student does not pass.
5. Successful performance on the exam will be accepted as fulfillment of the course requirement allowing the student to take the next course in the course sequence.
6. If the student passes the test out exam, the score will not count in the computation of the student grade point average, but students will receive course credit. Students are still required to carry a full course/credit load.
7. Students wishing to waive a class must complete the online "Waiving a Mathematics Course Through Testing Out Application" and submit it electronically by **March 20, 2020**.
8. Test sessions will be limited to four hours (there may be more than one testing session).
9. **Math testing out will take place on Saturday, April 25, 2020 at Troy High School.** Students who cannot test on this date **due to an academic activity** may choose the alternate test date, but must submit documentation of the activity when completing the application form. (Tests for subjects other than math will be scheduled for April, May, and the first week of June. Please contact your principal for specific dates.)
10. Students may bring a calculator to use on designated sections of the exam. Memory on the calculators will be cleared before and after the exam.
11. Students will be notified of their test results within a reasonable time. Results will be reported as pass/fail. Tests are secure and are not returned for review.

The "Waiving a Mathematics Course Through Testing Out Application" (which is **ONLY** available electronically) will be open from February 19 to March 20, 2020. Visit the Teaching & Learning page to find this application by clicking [here](#).

Math Course Information

Example: A student can only enroll in Algebra 1 Honors in 2020-2021 if he/she successfully tests out of the course directly above it on the flow chart (Math 7/8 Honors).
