This year, Chess Club is expanding into a Gaming Guild… Mrs. Nelson (Computer Science) and Mrs. Green (STEM) are joining forces to include instruction on chess AND a variety of board, card, and dice games that focus on strategy. This club will meet weekly on Tuesdays from 3:30-4:30 PM (The same day/time as the 1-3 grade Dash Robotics Club - Gaming Guild is the option for older students.) Each week the group will spend half the hour learning a new game and the other half learning, practicing, or playing chess! The $30 registration fee includes 7 weeks of instruction, and prizes for all the participants.
