INTERNATIONAL COLLEGE

FROM THE CHAIRMAN OF THE BOARD OF TRUSTEES

As we enter our 124th year, International College has never been in a stronger financial position. Coupled with our new state-of-the-art classrooms, IC is positioned to continue to excel as the premier school in the region. However, our real strength lies in the people of IC. Starting with students, faculty, administrators, parents and trustees, no one can match our quality.

With these results, it would be easy to feel satisfied; however, much still needs to be done. Major building plans for both campuses are still required. Investment in programs and scholarship aid are continuing needs. This cannot be accomplished without your full support.

Therefore, thank you: alumni, parents, trustees and friends for your strong giving plans which allows us to continue to be #1. With all of the troubles in the region (and actually the world) we must remain strong in our need for an educated population as the only way we can hope for lasting peace. Reading the report will hopefully bring back fond memories of all that IC has accomplished and continues to offer for so many.

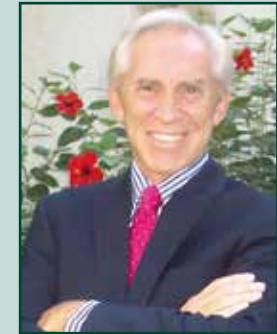

Thank you for supporting us over the years and for your future support!

William H. Turner

FROM THE PRESIDENT

International College's "Partnership for Excellence" is a fitting description for a program that encompasses the past, present and future of IC. The school's growth, success, and distinguished history over more than 100 years is the result of a partnership and a commitment to excellence from thousands of students, parents, educators, benefactors, and others who have preceded us. Their collective contributions have resulted in the IC that, today, has been described as a "National Treasure", is widely recognized as the premier elementary and secondary school in Lebanon, and has earned a reputation for educational leadership and academic excellence among international schools around the world.

As is true for many things in life, we are not always able to express our thanks and appreciation to those who have made the present possible. But we can ensure that the legacy of those who have preceded us is carried into the future. IC is grateful to those whose foresight, planning, and contributions over more than 100 years, ensured that International College provided the programs and facilities students benefit from today. As IC embraces its second century, it is our turn to ensure that the school will continue to serve as a beacon of light and opportunity for future generations.

Please join us in our "Partnership for Excellence", and make your contribution to the future of IC, to Lebanon, and the thousands of students who will become future leaders in business, medicine, finance, education, social services, and other enterprises that will benefit our growing global and interdependent society.

Don Bergman, Ed.D

Physically

Through a physical education and athletics program that values sportsmanship and healthy living.

message

Dear Alumni, Parents and Friends,

With our elementary school children settled and thriving in their new buildings, we have now turned our attention to our middle school and preschool students – both at Ras Beirut and Ain Aar.

It's an exciting new step: a new middle school, preschool and cultural center at Ras Beirut and a sports field and an activity center which includes a large gymnasium and auditorium at Ain Aar. In addition, classrooms at Ain Aar will be refurbished.

Many thanks to our alumni, parents, foundations, board members and IC friends for their support and generous pledges to our continuing Partnership for Excellence Campaign.

We believe that our students deserve these state-of-the-art buildings to go with a world class education.

For the latest news on our construction projects, please visit our website at www.icalumni.org

We are counting on your generosity to keep our Campaign successful. Please call or visit our alumni office if you are interested in supporting IC.

Best wishes,
Moufid Beydoun '64

Plan of the New Auditorium

Plan of the New Gymnasium

Every year, International College relies on support of the Annual Fund from its alumni, parents and friends. As is the case with many independent schools, tuition fees at IC cover less than 85% of the total operating costs. Programs which give IC that margin of excellence have to be funded elsewhere, namely through private contributions to the Annual Fund. The Annual Fund is made up of yearly gifts that go directly into the operating budget and are earmarked for school enhancements including financial aid, faculty development and student extracurricular programs.

LEADERSHIP GIFTS

The IC community is grateful to the many parents, alumni and friends whose generous gifts to the Annual Fund continue to have such a direct, strong impact on IC's ability to fulfill its mission by educating a core of compassionate and self-reliant men and women capable of initiative and critical thinking. The names below reflect gifts received between July 1, 2013 and June 30, 2014.

THE PATRON'S CLUB

Our top category of leadership giving acknowledges exceptional gifts of \$10,000 or more, gifts that allow International College to continue to pursue its objectives of promoting the development of the student academically, socially, aesthetically, physically and ethically, all aimed at acquiring personal qualities and skills in effective communication, creative expression, intellectual curiosity, critical thinking, self-discipline and self-confidence.

It is IC's mission to promote excellence and to celebrate diversity and community building. Established in 1999, the IC Scholars' Program is a three-year program offering full scholarships to outstanding secondary students as of the tenth grade level from all regions of Lebanon. The program aims to advance IC's mission of bringing quality education opportunities to deserving students who cannot afford to pay IC's tuition fees. These students, from diverse backgrounds, bring a wealth of experience with them to IC.

Eighteen students are awarded the scholarship every year. The program includes full development and tuition fees, a textbook allowance, and the busing fare - within the Greater Beirut area - provided that candidate remains a student in good standing. IC Scholars go on to study at top universities in Lebanon and abroad.

"WE ARE A MISSION-DRIVEN SCHOOL, AND OUR FACULTY ETHOS IS ONE OF DEDICATION AND CARE FOR OUR STUDENTS. WE ARE DEVOTED TO THEIR LEARNING, AS WE ARE TO OUR OWN. WE DID NOT BECOME ONE OF THE PREMIER EDUCATIONAL INSTITUTIONS IN THE WORLD BY CHANCE OR THROUGH RECENT OR SPORADIC EFFORT. OUR COMMITMENT TO EXCELLENCE COULD NOT HAVE BEEN POSSIBLE WERE IT NOT FOR THE CONCERTED, AND SUSTAINED EFFORTS OF OUR ENTIRE FACULTY - AT ALL LEVELS- TO PROVIDE HIGH EXPECTATIONS, SUPPORT, AND QUALITY INSTRUCTION TO OUR STUDENTS."

MISHKA MOJABBER MOURANI
SENIOR VICE PRESIDENT
