School Choice Guidelines

School Choice Renewal

Students may complete grades 9-12 at North Rowan High School, when choosing the School Choice option. The decision will automatically renew annually, unless parent/guardian requests otherwise.

Siblings

Older siblings of rising 9th grade students will automatically be allowed to attend the same choice school upon completion of the School Choice form. There will not be an athletic wait period for older siblings attending the same choice school as the rising 9th grade sibling.

School Choice Termination

Students attending North Rowan High School under the provisions of school choice will not be allowed to enroll in their "home school" until the end of the 1st semester or the end of the school year. A 365-day wait period for athletics would apply upon enrollment in their "home school". "Home school" refers to the school serving the student's domicile at the termination of the choice transfer.

Athletic Wait Period

Students who attend North Rowan High School as a School Choice option, will NOT be subject to the 365-day athletic wait period. Students who enroll in their "home school" after attending a choice school option, will be subject to a 365-day athletic wait period.
