January 23, 2020

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2018-19 educational progress for the Madison Center. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact April Ritz, Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site, <https://madison.wyandotte.org/about-us/annual-education-reports>, or you may review a copy in the main office at your child's school.

For the 2018-19 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Madison Center has not been given one of these labels.

At Madison Center, we are a Professional Learning Community (PLC). We have grade level teams that meet once a week to create a collaborative culture, create common assessments, collaborate to meet the needs of all students and to continue to learn and grow as educators. All staff come together to increase student achievement. Our staff has been working diligently on making daily decisions that move our mission and vision forward for our students. Grade level teams continue to fine tune our guaranteed and viable curriculum and to create meaningful common assessments. The Building Leadership Team meets twice per month throughout the school year to move the work of our school forward. Our School improvement plan (SIP) incorporates Michigan Department of Education's Common Core Essential Elements for English language arts

and mathematics. This information can be found at https://www.michigan.gov/mde/0,4615,7-140-22709_28463-410070--,00.html. Additionally, the SIP includes assistive technology support. All teachers receive training in the Four Blocks Framework for teaching Literacy. Furthermore, staff our teachers continue to receive ongoing training and support in the First Author Writing Curriculum which focuses on student-selected writing which is also included in our SIP.

The Madison Center services students with severe cognitive impairments, severe multiple impairments and moderate cognitive impairments. Services are provided for students ranging from 3 to 26 years of age. Staff work with students and families to develop an individualized educational plan (IEP) to meet the needs of each student and address each student's individualized goals and objectives.

Student achievement is measured in many ways by the Madison Center staff. All of our 3rd - 8th and 11th grade students participate in the MI-Access assessment. Our 3rd grade students are assessed in the areas of ELA and math; our 5th grade students are assessed in the areas of ELA, math, and social studies; our 6th grades are assessed in the areas of ELA, and math; our 7th graders are assessed in the areas of ELA, math, and science; our 8th graders are assessed in the areas of ELA, math, and social studies. Our 11th grade students are assessed in all subject areas: reading, math, science and social studies. Another way student achievement is measured is progress on all student's IEP goals and objectives in the areas of reading, math, prevocational/functional, affective, speech and language, speaking and mobility. This progress is communicated quarterly to parents via IEP progress reports.

For the past three school years, 90-93% of parents/guardians attended the annual IEPT meetings. There is constant communication between school staff and parents/guardians through phone, apps, email, IEPT meetings, tours and communication folders.

Madison Center continues with a school-wide positive behavior intervention support plan (PBIS). A matrix of behavior expectations was developed by staff. The behavior expectations are taught to students using lesson plans and reviewed regularly. Students are recognized and rewarded for positive behaviors. Tier 2 and Tier 3 interventions are used for students with more challenging behaviors.

The staff here at the Madison Center believe that all students can learn and we prioritize our work to ensure that we are focused on the right work that will move our mission and vision forward to ensure achievement for all students. We operate under a mutually-agreed upon set of values that focuses on students first and strive for high levels of student engagement. It is this important work and the strong relationships with students and families that continue to positively impact our students.

Sincerely,

April Ritz
Principal

NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	86.9	2.25	97	0.97
	Reading	85.4	2.57	98	1.04
8	Math	81.9	2.48	95	1.79
	Reading	83.3	2.41	91	3.97

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
